

GOV. DEWEY TO SPEAK HERE

Russia Is Defeated In Move For New Atomic Controls Plan

Vote Against Soviet Move Overwhelming

Russia Sought To Place New Atomic Energy Control Proposals Before U.N.

VISHINSKY MAKES ANOTHER EFFORT

By PIERRE J. NUSS
(U. N. Staff Correspondent)

PARIS, Oct. 7.—Russia was defeated today in persistent efforts to place new atomic energy control proposals before the United Nations.

The political committee, by a vote of 47 to 0 with 5 abstentions, agreed to establish a sub-committee whose job will be to maintain discussion of all existing control proposals before the U. N. Atomic Energy Commission itself reconvenes.

The sub-committee, whose appointment was urged by the United States and Canada, is charged with drafting a common resolution on all proposals and amendments to resolutions offered to the U. N. so far on instituting controls.

Soviet Delegate Jacob Malik said that the U. S. does not want any control agreement, a charge hotly denied by U. S. Delegate Warren R. Austin.

Fog For "Compromise"
The Russians are plugging consistently for the surprise "compromise" offered by Soviet Deputy Foreign Minister Andrei Vishinsky last week.

This would provide for simultaneous outlawing of atomic bombs and international inspection, an

(Continued on Page Two)

Pa Newc Observes

The jeep which made a name for itself in World War II has been converted into many uses, but the most outstanding was observed during the week in which one of the pint-sized cars was turned into a modern fire truck. The small truck was fully equipped with ladders, booster tank and other pertinent equipment. The equipment was heading toward the west, as it went through the city.

Cascade street between Butler avenue and Grandview avenue was being smoothed by city employees on Wednesday. The city grader was engaged in removing the bumps from the thoroughfare.

The court house lawn was getting a final trim for the year on Wednesday. A worker with a gasoline driven mower was making quick work of the mowing process beautifying the area considerably.

Many coats of paint are being applied to dwellings about the city despite the inclemency of the season. Pa Newc discovered in a visit to various districts on Wednesday. Much remodeling work is in progress.

In connection with Fire Prevention Week, a good inspection of chimneys around the city would be in order. Already one fire has been started due to a defective chimney around an indoor grate. The coming cold evenings will mean more fires started in fire places and home owners should be safe rather than sorry.

The downtown section of the city was really blanketed with blaring radios on Wednesday, the opening day of the famed world series contest. One could walk almost the length of the downtown section and be kept in touch with the game as Boston without missing hardly a play.

Daily Weather Report

United States weather statistics for the 24-hour period ending at 9 o'clock this morning:
Maximum temperature, 58.
Minimum temperature, 46.
Precipitation, .15 inches.
River stage, 5.1 feet.

Statistics for the same date a year ago, follow:
Maximum temperature, 63.
Minimum temperature, 47.
No precipitation.

Pittsburgh—Pennsylvania Railroad train, "The Fort Pitt," Pittsburgh-Detroit to Chicago run, runs into landslide, near Bellevue, Wednesday afternoon. (Two persons were killed and fifteen hurt.)

Big Rock Slide Wrecks Train Near Pittsburgh; Two Killed; 15 Injured

Former Local Boy Killed In Crash

Lt. Benjamin Runkle, of Phoenix, Ariz., In Plane Crash Wednesday

Second Lt. Benjamin Runkle, aged 23 years, youngest son of Mr. and Mrs. George F. Runkle of Phoenix, Ariz., former local resident, was killed in a plane crash near Phoenix, Ariz., at 9 o'clock Wednesday morning, according to word received by his uncle and aunt, Mr. and Mrs. William N. Runkle of 119 South Walnut street, late Wednesday.

Lt. Runkle, who was to have received his commission as a first lieutenant today, was flying in a formation of 114 planes, when his plane, an S-51, went out of control and crashed. The boy's uncle was told this morning, in a telephone conversation with the father at Phoenix. Officials at the army air base there are probing the cause of the crash today.

He was serving his second enlistment in the Air Corps, and had received his bombardier's wings several years ago. It is stated.

He was born at East Brook. In addition to the parents, he is survived by a sister, Margaret Ann, and a brother, George F. Runkle, Jr. The father, a veteran of World War I, was formerly engaged in the grocery business on North Mercer street, but went to Phoenix, Ariz., because of his health, which was impaired by his experiences in World War I.

PIG IRON PRICE BOOSTED
YOUNGSTOWN, O., Oct. 7.—(INS)—Following action taken by other producers, the Youngstown Sheet and Tube company today announced a \$3 per ton increase in the price of pig iron.

Blockade Lifting Move Is Favored By U. N. Council

Majority Of Security Council Agreed On Calling For Blockade Lifting

NO APPROACH TO RUSSIA AS YET

By JOHN E. LEE
(U. N. Staff Correspondent)

PARIS, Oct. 7.—A majority of Security Council members were said to have agreed today on drafting a resolution calling on Russia to lift the blockade of Berlin.

The agreement was unanimous among the five non-permanent members of the council and China.

The non-permanent members of the 11-nation body include Argentina, Belgium, Canada, Colombia and Syria.

Met Last Night
Their delegates met with a representative of China last night. Although they made no initial attempt to draft a definite resolution.

Earthquake In Russian Area

MOSCOW, Oct. 7.—(INS)—An earthquake which rocked the southeastern Russian city of Ashkhabad two days ago, was reported today to have been one of the worst in recent Soviet history.

Casualty figures were not available, but they are believed to be high. Considerable destruction was reported.

The city is the capital of the central Asiatic Soviet republic of Turkmenistan and adjoins Iran, where the city of Meshed was stricken by the same quake last Tuesday.

Two hundred died and thousands were injured around Meshed.

The blaze was confined to the room in which it originated, but was just beginning to break through when checked, the contents being virtually destroyed.

Governor Warren Speaks In Chicago

CHICAGO, Oct. 7.—(INS)—Gov. Earl Warren of California, Republican vice presidential candidate, continues his campaign in Chicago today after assailing secrecy in government and blasting the agreements made at Tehran, Yalta and Potsdam.

Western Pennsylvania On Dewey's Campaign Schedule On Monday

By WILLIAM THEIS
(U. N. Staff Correspondent)

ALBANY, N. Y., Oct. 7.—Gov. Thomas E. Dewey invades western Pennsylvania on Monday.

The Republican presidential nominee will deliver a major address at Pittsburgh, Monday night, and give brief talks during the day at Erie, New Castle, and Sharon.

The New York governor also put down four more senatorial contests for special attention on the second campaign swing he starts from Albany Sunday.

Major Address in Pittsburgh
Dewey is expected to deliver his first major labor address in Pittsburgh, center of steel and electrical manufacturing and the coal industry.

The GOP presidential candidate again by-passed West Virginia, where he is known to have been displeased by Republican Senator Chapman Revercomb, but he arranged to hit Minnesota, Illinois, Oklahoma and Kentucky—each of which could contribute the margin of control in the United States Senate.

Dewey's eight-day mid-west speaking schedule was announced at Albany by Herbert Brownell, Jr., following a conference with

Soviet Fliers Drop Bombs Near Berlin

By OMER ANDERSON
(U. N. Staff Correspondent)

BERLIN, Oct. 7.—British pilots said today that three Soviet bombers dropped live bombs ten miles north of Berlin, near the western aerial corridor.

The British said that the Russian warplanes, flying at 1200 feet, hurled their bombs in the vicinity of Frohnau, north of the French sector.

Frohnau is the site of a beacon for the British aerial bridge to Berlin's Gatow airport, receiving end of "operation Vittles".

Earlier, U. S. officials said that three Russian C-47 transports flew over Frohnau at 1200 feet, in violation of four-power safety rules.

The reported bombing run was linked with an announcement today by the Russians of simultaneous bombings, parachute jumps and anti-aircraft in the vicinity of the western airbases.

The reported run marked the first time that the Russians have attempted to impede the allied airlift to blockaded Berlin with real bombings.

The British observers said that the Soviet war planes, flying at 1,200 feet, posted an area, 10 miles north of Frohnau.

The latter town, on the railway line from Berlin to Oranienburg, is in the French occupational sector.

(Continued on Page Two)

Rural Home Is Saved From Fire

Prompt action saved the home of Mr. and Mrs. Robert Sickafus of Route 388, a half mile north of its intersection with the Harlansburg road, in Hickory township, at 10:30 o'clock this morning, when fire of undetermined origin caused damage of around \$500.

Neighbors were attracted by Mrs. Sickafus's shouts, when she discovered the blaze in a front bedroom of the home, a five-room bungalow, and Howard Kimmel, along with other neighbors, who ran to the scene, used a garden hose in checking the flames until the Hickory township and New Castle departments arrived and extinguished the blaze. Fire Chief Herman F. Steinbrink drove the city truck to the scene, accompanied by Fireman Joseph B. Zeigler. Fire Chief Tom West, of the Hickory Township department, and a score of volunteers were also quickly on the scene.

The blaze was confined to the room in which it originated, but was just beginning to break through when checked, the contents being virtually destroyed.

NAMED DIRECTOR

Walter D. Binger was elected a director of the National Radiator company, Johnstown, Pa., as announced by Robert S. Walters, president. Mr. Binger is vice-president of the City Investing company, and president of the City Construction company, New York City.

INJURED BY BUS

HARRISBURG, Oct. 7.—(INS)—Henry Herbert, 80, a janitor for a wholesale Harrisburg paper firm, was injured critically today when run over by a rear wheel of a passenger bus.

He had just alighted from the bus which ran over him.

Dewey To Reach New Castle At 2:45 P. M. Monday

Republican Candidate For Presidency To Speak At West Side Station

HALF HOUR STOP SCHEDULED HERE

Governor Thomas E. Dewey is scheduled to arrive in New Castle Monday afternoon, October 11, at 2:45 o'clock. It was announced today by Republican County chairman Roger W. Rowland.

The Republican candidate for president will be at the West Side station of the Pennsylvania Railroad from 2:45 to 3:30 o'clock and will make a fifteen minute address from the end of his special train. Mrs. Dewey will accompany him and will be presented to the crowd.

Leaves From Here

The special train will leave New Castle at 3:30 p. m. and will stop at Sharon at 5:07. The train will arrive in the Sharon station at 5:15 when it will leave for New Castle. Arrangements are being made here for the visit of Governor Dewey. Chairman Rowland said U. S. Senator Edward Martin and Governor James H. Duff will be aboard the train and Governor Dewey will be introduced by Senator Martin.

Thousands of people will be expected to greet him. It is anticipated the area will be full.

Governor Dewey's appearance here will be the first appearance of a candidate for president since 1944 when the late Wendell Willkie spoke in New Castle.

President In Eastern Part Of State Today

By ROBERT NIXON
(U. N. Staff Correspondent)

ABOARD THE TRUMAN CAMPAIGN TRAIN IN EASTERN PENNSYLVANIA, Oct. 7.—President Truman carries his whirlwind campaign into the industrial centers of Pennsylvania and New Jersey today, using the Taft-Hartley law as the springboard for new attacks on Republican labor policy.

The chief executive set the keynote for his bid for the eastern labor vote last night in an address in Philadelphia's Convention Hall.

Today will see the chief executive deliver eight speeches, climaxed by an address tonight in the traditional Democratic stronghold of Jersey City, N. J.

Throughout the day the president will speak mainly on labor matters—to audiences in such industrial Pennsylvania towns as Bridgeport, Reading, Allentown, Bethlehem and Easton.

To Go To New Jersey
At 5 p.m. (EST) the presidential party will leave the train at Elizabeth, N. J., and motor to Newark and Jersey City.

Torchlight parades have been scheduled in Newark and Jersey City.

(Continued on Page Two)

Nine Are Killed In Plane Crash

B-29 Superfortresses Exploded And Crashes Near Valdosta, Georgia

WAYCROSS, Ga., Oct. 7.—(INS)—Air force officers today probed the wreckage of a B-29 Superfortress which exploded and crashed near Valdosta with the loss of nine lives.

Killed were five air force men and four civilian technicians. Their identification was withheld pending notification of next of kin.

Four other aboard the bomber parachuted to safety. They are: Capt. W. H. Moore of Williamsburg, Pa., co-pilot, uninjured. Tech. Sgt. Earl Murrese of Miami, Fla., uninjured.

Stiff Sgt. W. J. Penny of Bayonne, N. J., slightly injured. Eugene A. Mecher of Eriton, N. J., a civilian technician uninjured.

On Special Mission

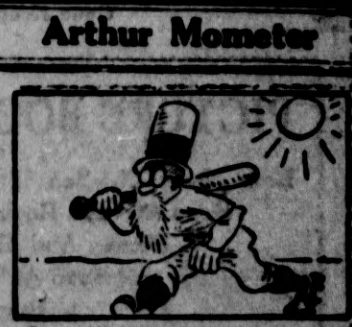

The ship carried confidential equipment but was on a routine electronic mission when it exploded yesterday directly over Valdosta's business district. The bomber was attached to the 3150th Electronic Squadron at Warner Robins Field, Macon, Ga., and was enroute to Florida.

A three-man board of inquiry

GARDEN COUNCIL LUNCHEON-REVIEW

Garden Council of Lawrence County heard a most delightful review of the book, "The Flowering World" by Rutherford Platt, at its October meeting Wednesday afternoon in the guild room of Trinity Episcopal church. The review was given by Mrs. J. Russell Urmon and explained something of how plant life has evolved through the geological ages of the world throughout the past millions of years. One cannot help, she said, in a realization of evolution of the plant world, but feel awe and reverence for a Creative Spirit. Mrs. Urmon was introduced by Mrs. Lyle Hughes.

Preceding the program, luncheon was served buffet style from a table centered with calendulas, yellow marigolds and green candles. Mrs. E. C. Chapman of the Harbor Garden club, presided.

Lovely arrangements of garden flowers now in bloom, marigolds, zinnias, cosmos, nasturtiums and dahlias, were on display. By popular vote, Mrs. Vane Johns of the East Brook club, won first award for an all pink arrangement of false bamboo and the new cosmos, Radiance. For a mantelpiece arrangement of hydrangeas and leaves, Mrs. A. H. Mellor of the Walmo club placed second. Zinnias in a copper bowl by Mrs. Richard Marquis of the Walmo club, placed third, and fourth and fifth places were won by Mrs. Wallace Wright of the Oakwood club, for her arrangements of dahlias.

Attention of the group was called to a pamphlet, "Garden Club Management", published by Ohio State university.

Mrs. Humphrey Richards presided and it was voted to have an antique show in conjunction with the flower displays at the November 3 meeting, to be open to the public afternoon and evening.

BRIDE ELECT IS FETED AT SHOWER

Miss Norma Black, bride elect of this month, was feted at a miscellaneous shower, given in her honor by Miss Karen Sloan in her home at 914 McClary avenue.

Miss Sloan will act as Miss Black's maid of honor in her forthcoming wedding.

The evening was spent in an informal social time. Delicious refreshments were served by the hostess, assisted by Mrs. David Pearsall and her daughter, Betty. The table was prettily appointed in a bridal motif.

The honoree was showered with an array of lovely gifts.

Mrs. Carl Black, mother of the honoree, was a special guest.

Miss Black, daughter of Mr. and Mrs. Carl Black, of 511 Sampson street, will become the bride of Robert Hunt, son of Mr. and Mrs. Howard Hunt, of Neshannock avenue, at an open church wedding in St. Paul's Lutheran church Tuesday evening, October 12, at 7:30 o'clock.

Miss Black has chosen Miss Karen Sloan as her maid of honor and Robert Smiley will serve the groom as best man.

B.P.W. DISTRICT MEET OCTOBER 9

Business and Professional Women's club district No. 2 will meet Saturday, October 9, in the Woodlawn Presbyterian church, Alliquippa.

There will be an afternoon meeting at 3 o'clock and a dinner meeting at 6 o'clock at which Miss Frances Hobbs of the State Teachers college at West Chester will be the speaker. Her subject will be "Women in the International Picture".

October 10-16 the club will observe National Business Women's Week with the theme "Use your vote in '48".

October 13 the club will have its regular monthly dinner meeting in the First Methodist church at 5:45 p. m. when Miss Doris Myer of Carnegie Tech will speak on "Color and Personality".

For the home talent play, "Fun For You" to be given in the George Washington school auditorium October 27-28, have been announced as the dates. Finance committee is in charge of arrangements with Miss Virginia Pierson as talent chairman.

LEONELLI-MCCOMB ENGAGEMENT TOLD

Mr. and Mrs. William Leonelli, of 1305 Highland avenue, announce the engagement of their daughter, Alice J. Leonelli, and Lee McComb, son of Mr. and Mrs. Thomas R. McComb, of 416 East Garfield avenue.

Both Miss Leonelli and her fiancé graduated in June from New Castle high school. He is presently home on leave from Great Lakes Naval Training station, Illinois.

No date has been set for the wedding.

ENGAGEMENT TOLD; DECEMBER 4 DATE

Mr. and Mrs. Howard L. Reno, of R. D. 8, announce the engagement and forthcoming marriage of their daughter, Marie Reno, and James W. Matthews, son of Mrs. James S. Matthews, of 814 Neshannock boulevard.

Both Miss Reno and her fiancé are employed at the Shenango Pottery.

The engagement will terminate in a wedding on Saturday, December 4.

PANDORAS CLUB TUREN DINNER

Pandoras club members enjoyed a tureen dinner event, held at their regular meeting Tuesday evening in the Sons of Italy club rooms, South Mill street.

At 7 p. m. the meal was served on tables nicely arranged for the occasion, with the halloween motif predominating. Those who served as hostesses were Mrs. Pat Peluso, Mrs. Floyd Champ, Mrs. Vito Colletta and Mrs. Joseph DeLullo.

Following brief remarks by president Mrs. Ralph Staph, an entertaining program was held, featuring music and dancing. Mrs. Gloria Champ favored with piano selections. Mrs. Pat Peluso with a skit and Mrs. Jesse Lastoria presented a dance number.

The birthday of Mrs. Joseph Ross was honored, and she received a gift. Later card playing was the pastime.

October 19 the group has planned a theatre party in Youngstown, O.

MISS ELIA PHILLIPS IS TENDERED SHOWER

Miss Elia Phillips, a bride-elect of October, was feted at a lovely shower party, held by a group of relatives—the Sister Circle. The event held recently was at the home of Mrs. Vito Lucidore, of Boston avenue.

A contest period was featured and game prizes were won by Mrs. Sam Mooney, Mrs. Ralph Sacripant, Mrs. Harry Tusciano and Elia Phillips.

Later, the group was served a full course delicious dinner, on a table beautifully arranged with Mrs. Catherine Phillips and Mrs. Ruth Prescario, serving.

The honoree was presented with a lovely gift from the club.

Miss Phillips, daughter of Mr. and Mrs. Phillips of 617 West State street, will become the bride of Stanley Dyll, son of Mr. and Mrs. John Dyll, of Farrell, Pa., on Saturday, October 23, in St. Vitus church. The open church ceremony will be performed at 9:30 a. m.

KREIMSKI-CONTI MORNING WEDDING

St. Joseph's church was the scene of a lovely fall wedding Saturday morning, October 2, at 9 o'clock, when Miss Erma Kreimski, niece of Mr. and Mrs. Walter Krashner of 323 Pearson street, became the bride of Anthony "Teddy" Conti, son of Mrs. Nellie Frank Conti of 114½ Long avenue. Rev. Fr. Cornelius H. Becker officiated at the double ring ceremony.

The bride, given in marriage by her godfather, Joseph Haydn of West Middlesex, was lovely in a gown of white slipper satin, made with a hoop skirt. The skirt and neckline of the gown were trimmed in brilliants and baby seed pearls. She wore a fingertip veil which fell from a tiara of orange blossoms and pearls. She carried a bouquet of lilies centered with an orchid. Her only jewelry was a cross, a gift of the groom.

Miss Mary Harmon, as maid of honor, wore a yellow slipper satin gown and a sweetheart hat to match. She carried a bouquet of yellow roses.

The Misses Mary Lou Urian, Tina Santello, Nancy Micco and Mary Lou Smolnick, as bridesmaids, wore gowns of pastel shades and sweetheart hats to match, similar to the maid of honor's. They carried bouquets of roses to match their gowns.

Andrew Bloise served the groom as best man and ushers were Tony Marmo, Marion DeLeone, Ralph Litrenta and Dom Copple.

Following the ceremony there was a wedding breakfast served to the bridal party, immediate families and a large group of friends at a local dining room. A reception for 450 guests was held at King Humbert hall in the evening.

Mr. and Mrs. Conti left for a wedding trip to Buffalo and Niagara Falls, N. Y. Upon their return, after October 11, they will be at home to their friends in their newly furnished apartment, 139 East Wallace avenue.

Mr. and Mrs. Conti are both employed at the Shenango Pottery Co.

POETRY GROUP HAS APPRECIATION MEET

New Castle Poetry Group met for an appreciation meeting in the public library Wednesday evening at 7:30 when Miss Alice Sterling gave a brief biographical sketch of Berta Hart Nance of Texas. She read lines from the poet's two recently published volumes, "Arizona" and "Flute in the Distance". Miss Garnet Rhodes gave a biography of Henry Van Dyke and read from a volume of his collected poems.

Two members read original poems, Mrs. John Ingham "On the Sidelines" and Mrs. Josephine Alexander, "Earthbound", published in the August issue of Kaleidograph.

Mrs. Alexander Simon was welcomed into the group as a new member.

From the Canton Poetry group whose most recent meeting she attended, Miss Frances Haydon brought a report. Two guests from Butler were present, Mrs. Mary Rosengren and Mrs. George Kemper.

November workshop meeting will take place in the home of Mrs. George Henderson, Northview avenue, when quatrains and timely poems will be the subject.

Announce Birth

Mr. and Mrs. Charles H. Schwerin, of Beaver, announce the birth of a son, Charles Richard, on October 2, in Providence hospital, Beaver Falls. Mrs. Schwerin will be remembered as the former Miss Betty Jane Kison, of Lincoln avenue.

NINETIETH NATAL DATE CELEBRATED

Nieces and grand-nieces of Miss Elizabeth McConaghy, 707 Cleveland avenue, gathered in her home Tuesday to help the honoree observe her ninetieth birthday. A tempting luncheon was served at noon with places being arranged for 14 guests.

Later in the afternoon a number of friends and relatives offered their congratulations to Miss McConaghy, who was remembered

with many beautiful gifts, including beautiful bouquets of flowers.

Mrs. Effie Pettit, Seattle, Wash., Mrs. Carl McConaghy, Mobile, Ala., and Mrs. Irving Mansell, New Wilmington, were out-of-town guests at the birthday celebration.

N. U. S. Club
The meeting and theatre party which was planned for this evening by members of the N. U. S. club have been canceled.

Plans have been completed however for a halloween party, at the home of Mrs. Twyla Sandman, of 323 Bell avenue, October 21.

S. O. S. Club Gows
Needlework was the pastime when S. O. S. club members were entertained in the home of Mrs. Joseph Warner, 956 Temple avenue, Wednesday evening.

At serving a luncheon the hostess was aided by Mrs. Sally Sankey and Mrs. Ray Tomlin. The latter and Mrs. George Shaw were special guests. Door prizes fell to Mrs. Sankey.

Next meeting will be in the home of Mrs. Elaine Berman, 703 County Line street, on October 20.

Army Increases Quota For One Year Enlistments

Due to a substantial increase in the quota allocation for this area, the number of 18-year-old youths that may enlist in the army for a special one-year enlistment has been increased.

Sgt. Jim Meredith of the local U. S. army and air force recruiting office announced that the increased quota became effective October 1 and that he felt sure that all who apply, and are otherwise

qualified, will be successful in securing enlistment.

It will no longer be necessary for an applicant to apply more than once for the one-year enlistment. It is believed that two weeks will be the maximum time between a man's date of application and processing. Even though a man may reach his 18th birthday before processing, he is still eligible for this enlistment if the application date is prior to his birthday.

Additional information on one-year enlistments is available at the recruiting office, room 202 in the Post Office building.

Iowa leads all other states in the production of corn.

IN VIEW OF NEWS

(Continued from Page Four)

fact that formal military occupation of Germany presumably will be needed for a long time.

German Nationalism still exists and France, in particular, would be dismayed beyond belief if suddenly the German people were left alone without armed supervision.

There also is the angle that the Russians, with their close-knit, highly-organized Communist cells, could afford a withdrawal of their armed forces far better than the western allies.

They would leave behind a

smoothly-working set-up of German Communists who are fully indoctrinated with the idea of rebuilding eastern Europe as virtual part of the Soviet Union, eradicating all allegedly "decadent" western influences and establishing a Communist fortress in the dead center of Europe.

This factor is much in the minds of western statesmen who have come to grips with the German problem. They are committed to the defense of what remains of European democracy against totalitarianism, and military occupation is an integral part of this ideal.

But United Nations work on the issue now has just begun. The re-

sult may be a face-saving device that will surprise everyone except its architects.

BIG FAMILY DAY
PITTSBURGH, Oct. 7.—(INS)—Westinghouse Electric Corp. will hold the biggest family day in its history Saturday when it plays host to more than 60,000 guests.

The all day program, beginning at 9 a. m., includes plant tours, an art exhibit, band and choral music, and a new Westinghouse motion picture.

Willkie's Campaign

Willkie succeeded in forcing Roosevelt off his high non-political "too busy" plane. As reports showed certain states wavering, FDR went out and made political speeches that had never been on

WASHINGTON CALLING

a day, frequently pausing in the course of a motorcade to address street-corner groups. The Willkie campaign in its intensity was a precedent for President Truman's present strenuous effort.

Willkie's Campaign

Willkie succeeded in forcing Roosevelt off his high non-political "too busy" plane. As reports showed certain states wavering, FDR went out and made political speeches that had never been on

the original schedule limited to four or five addresses.

If he was to make a real try for re-election, President Truman, in my opinion, had no choice but to do what he is doing. He could hardly have remained in Washington to represent himself as the indispensable man in resolving the East-West riddle. Reports have come to the White House that the underdog appeal is taking hold. Resolutely from now until November the President will show his fighting spirit in the face of seemingly hopeless odds.

George Rogers Clarke was the first white man to visit the site of Cincinnati, Ohio.

To Build Tuna Canning Plant
WASHINGTON, Oct. 7.—(INS)—The navy is negotiating with a United States packing firm for establishment of a tuna canning plant in American Samoa.

Island Packers, Inc., a Delaware corporation, headed by Harold C. Gatty, former globe circling aviator, will construct the plant which will provide employment for 150 Samoans.

The plant, first of its kind in the islands, will have an initial annual output of 125,000 cases of tuna with an eventual yearly capacity of 350,000 cases.

FLOAT DIRT AWAY

for Snow-White Linens!

Thirty 3 lb. Box
only 29¢ at your grocers

NEW, QUICKER-ACTION CLIMALENE

A miracle worker! Loosens soil, fast!

New, quicker-action CLIMALENE is a joy to use in the wash. It gets table linens, sheets, all white things real snowy, with no hard scrubbing! Colors bloom again. CLIMALENE loosens soil, fast, gives water the unique power to float dirt away. Try CLIMALENE. Get long-lasting suds with 1/4 your favorite soap. It's wonderful, too, for brightening woodwork, floors, porcelain and tiling. The Climalene Company, Canton, Ohio.

SAVE COSTLY SOAP... SAVE WORKING TIME
TRY CLIMALENE FOR ALL CLEANING TODAY!

LOTS OF SMOKE
CHICAGO—Where there's smoke there's fire, as far as Chicago's firefighters are concerned. Four fire engines, two ladders and a hose team, led by two battalion chiefs and a division marshal, arrived in time to watch the last wings

rise from the hood of a taxicab. The driver said it probably started from a backfire but went out without anybody's help.

Without green plants all the higher animals existing today would eventually perish.

NARROWED DOWN
EL MONTE, Calif.—One of the narrowest store buildings in the country runs along a corner lot measuring 5 1/2 by 200 feet. The "shoestring" building houses six stores and offices, each measuring only 4 1/2 feet wide. Road-widening left the oddly-shaped lot.

Biography in the Bible WHICH TELLS THE STORY OF ABRAHAM, PIONEER

Calling of Abraham.

"Then shall love the Lord thy God with all thy heart, and with all thy soul, and with all thy mind."—Matthew 22:37.

Biography is extremely popular modern reading matter. Many life stories of both modern and historical characters become "best sellers" every year.

In our Bible are many biographies—from those of Adam and Eve to our Lord's and His apostles. All make fascinating reading, and have been ever since that far-away day when the Bible—best seller of all times—was first printed so that the common people could read it.

This lesson is a very brief biography of Abraham, founder of the Jewish race and pioneer in the life of his people.

We are told that Terah, Abraham's father, "took Abraham (who was then called Abram), his son, and Lot, the son of Haran, his son's son, and Sarai (later Sarah), his son Abraham's wife, and went forth with them from Ur of the Chaldees, to go into the land of Canaan, and they came unto Haran, and dwelt there" until the death of Terah. Haran was not in Canaan.

After his father's death, Abraham was commanded by the Lord to further pioneer in "a land which I will show thee."

Faith in God's guidance was a leading characteristic of this great man, so Abraham, his wife and Lot, his nephew, and all their belongings and the people whom they had gotten in Haran, moved into the land of Canaan as the

Lord had said. The Lord had also promised that he would make a great nation of Abraham, "and I will bless thee, and make thy name great."

Abraham pitched his tent to the east of Bethel, and there he built an altar unto Jehovah, and called upon His name.

Nearer Bethel Abraham pitched his tent and built another altar and called upon his God.

Abraham and Lot became rich men with many possessions, but their herdsmen quarreled, and Abraham told Lot they must have peace, as they were kinsmen, and he advised Lot to look about him, select a land that would please him, and go there to live. Lot chose the rich plain of the Jordan river, which was like the Garden of Eden, and there he moved, although close at hand were the wicked cities of Sodom and Gomorrah.

We are now told of the first wars recorded in the Bible. Four kings made war on the kings of Sodom and Gomorrah and two others, and in their second invasion they conquered these two doomed cities and took Lot prisoner. Abraham was told of Lot's capture, and he armed his trained servants and released Lot and obtained all Lot's goods likewise.

A charming story in this brief account of Abraham's life is told in the 14th chapter of Genesis, when he met Melchizedek, king of Sodom, who was a priest of the most high God. He brought forth bread and wine, and blessed Abraham, and God for having delivered Abraham's enemies into his hand.

After this encounter the Lord appeared again to Abraham and told him, "I am God Almighty; walk before Me, be thou perfect. And I will make a covenant between Me and thee, and will multiply thee exceedingly." It was at this time that the Lord told Abram that he should be known thenceforth as Abraham and his wife's name would be Sarah.

Up to this time Abraham and Sarah had no children, and they were old people, but now God definitely promised that they should have a son and they should call him Isaac. This promise was fulfilled in time.

In the meantime the Lord told Abraham that He was going to destroy the wicked cities of Sodom and Gomorrah. Abram persuaded Him to spare them for the time being, telling Him that there might be good people living there who would also be killed, but at last, as you know, when the inhabitants of the city were especially vicious in their acts, they were destroyed, and Lot and his family only being spared.

A son was finally born to Abraham and Sarah, and he was named Isaac, and then something terrible happened. Abraham was ordered by his God to make a sacrifice of this adored son. Imagine his despair. But, true to his principles, he was prepared to do God's will, and so he took the boy to the place of sacrifice, and would have slain him, but the angel of the Lord stayed his hand, and Isaac was spared to carry on the Jewish nation after his father's death.

Sarah died before Abraham, at a ripe old age, and Abraham bought a field from Ephron, who dwelt among the children of Heth. On the field was a cave and in it Sarah's body was laid to rest, and when Abraham "was gathered to his people," he was laid by her side.

Patricia Schmidt To Be Released From Jail Today

HAVANNA, Oct. 7.—(INS)—The gates of freedom open today for Patricia (Satira) Schmidt, the Toledo, O., dancer whose romance with John Lester Mee ended in his slaying and her imprisonment. The close-eyed nightclub entertainer, when informed last night of her impending release, sighed: "It's wonderful—wonderful! But I won't believe it until Dr. Mencia tells me." Carlos Mencia is the Havana lawyer whose persistent efforts and influence succeeded in securing a presidential pardon for the 22-year old Patricia. The final order for her release will be signed today. Odds against the birth of twins are about 87 to 1.

Town Mayor Is Busy As A Bee

Man Proves To Be Indispensable
Man In Effecting Civic Improvements
WOOD RIVER, Ill.—(INS)—Lester D. Humphrey is mayor of Wood River, Ill., a town of 8,197 population. The 35-year-old mayor disregards the limits of a 24-hour day as he considers tax rates, police affairs, city improvements, and the like. Then he proceeds to switch to dungarees, puts on an oil worker's safety helmet and goes to work for eight hours daily as operator in the Shell Oil company refinery in the neighboring town of Roxana. Humphrey started with the oil company in 1933 as a laborer. But his job with the firm has not

hampered his work as city official. Moreover, he has found time for the children.

Mayor Provides Facilities
It isn't unusual to see the mayor in a baseball cap and in the lead in providing recreational facilities for Wood River. "His Honor" has established supervised playgrounds for youngsters of all ages and currently is sponsoring the conversion of a 15-acre cornfield into a ball park and recreation center. The mayor also has set up a "Junior G-Man Club," and it is paying dividends. Aided by Police Chief Frank Starkey, the mayor formed the club after youngsters caused \$800 damage to municipal property during Halloween night festivities in 1944. Since the club was organized, Halloween night damage has dropped to less than \$35 a year. In early history the exports of tobacco from America grew very fast.

Newspapers Major Industry In State

State Publishers Have Investment
Of More Than 115 Million
Dollars In Equipment

HARRISBURG.—National Newspaper Week finds newspaper publishing established as one of the major industries of Pennsylvania. Secretary of Commerce Orus J. Matthews pointed out today.

"Newspaper publishing and commercial printing plants in the State," Secretary Matthews said, "represented an investment of \$118,450,700 at the end of the war, but this investment has been increased by more than \$30,000,000 since that time. The industry ranks eighth in Pennsylvania in number of employees, sixth in total payrolls, and sixth in value of production. That is a vital contribution to the economic life of Pennsylvania."

duct. That is a vital contribution to the economic life of Pennsylvania.

"In providing the up-to-the-minute information so necessary for day by day operation of business and industry, newspapers make another contribution which also is of vital economic importance."

"Business news, however, is only one of the many varied types of information for which the people of Pennsylvania have learned to rely upon newspapers of the State. From the days of Benjamin Franklin, one of the first of Pennsylvania's great journalists, newspapers have been one of the foundation stones of this Commonwealth's greatness. For generations after generations Pennsylvanians have been among the best informed citizens of this Nation, and the continuous, rapid growth of Pennsylvania has reflected that healthy condition. Our free press has been a source of inexhaustible strength, enlightened human relationships, and progressive government."

relationships, and progressive government."

Pennsylvania's first newspaper was the American Weekly Mercury, established in 1719 by Andrew Bradford, postmaster of Philadelphia. Benjamin Franklin began publishing the State's second newspaper, The Pennsylvania Gazette, in 1759, also in Philadelphia. In 1786 The Pittsburgh Gazette was established as western Pennsylvania's first newspaper.

Revise System Of Class 'Cuts'

NEW WILMINGTON, Oct. 7.—Every college student has dreamed of the possibility of enjoying all the social activities of college without attending class. This privilege has been voted at Westminster College but the catch is that unlimited "cuts" are only for those who have a scholastic average of at least 2.75. A perfect mark is 3. The revised system of class "cuts" has been announced by college officials. Representatives of student council met with a faculty committee to devise the plan. Students who over-cut will lose credits in proportion to the number of cuts.

TO PRESENT CONCERT

NEW WILMINGTON, Oct. 7.—Marimel Del Pozo, young Spanish coloratura soprano, will appear in the Wallace Memorial chapel at Westminster College, Friday evening at 8:15. The number is the first on the Artist Course. Miss Del Pozo will be accompanied by David Allen who will present "L'Isle Joyeuse" by Debussy.

College Students Going To Retreat Near Franklin

NEW WILMINGTON, Oct. 7.—Members of five Christian organizations on the Westminster College campus will retreat to a wood campsite near Franklin, Pa., over the week-end. The Rev. Herman King, pastor of the Riverside Presbyterian church, Buffalo, will be the principal speaker. He will deliver four

addresses on the theme "Lord Teach Us."

The organizations which will be represented are Life Service Christian Youth Fellowship, Y. W. C. A., and Karux. Students will leave campus for the Seneca Hills retreat at 4 p. m. Friday and will return Sunday afternoon.

The program is planned to emphasize spiritual strengthening leadership in Christian work, application of Christianity to economic conditions and the relationship among the five attending organizations.

The committee in charge is composed of Fred McKnight, Treasurer, Miss Lois Gittings, Pittsburgh,

Miss Alice Johnson, McConnellsburg, John Rock, Struthers, and John Pollock, Pittsburgh. Dr. Wayne Christy, Associate professor of Bible, is in charge of recreation. He will be assisted by Stanley Hartung, Mass.

The great Nile river of Africa has nine mouths.

"PARTIES" HIT DAVENPORT, Ia.—Beauty operators here say "permanent parties" are illegal. A "permanent party," they explained, is a gathering at which the girls give each other waves with home sets. Operators hope to prove the parties violate the state's 1929 cosmetology law.

28 LICENSES REVOKED. HARRISBURG.—In the week ending Sept. 24, the Bureau of Highway Safety withdrew the cards of 241 drivers. Of this number 23 were revoked and 200 were suspended. Operating privileges were restored to 434.

Comic Books Are Disappearing From Youngstown Stores

YOUNGSTOWN, O., Oct. 7.—(INS)—"Objectionable" comic books have disappeared from the shelves of more than 100 Youngstown drug stores today.

Members of the Mahoning Valley Pharmaceutical Association agreed Tuesday to stop sales of "objectionable" comic books. Earlier Superintendent of Schools Paul C. Dunn issued orders for confiscation of any such books found on school premises.

Mayor Charles P. Henderson has appointed a committee to "review" the comics and determine which are "objectionable."

The action followed the death of a New Castle, Pa., boy, George Hall, 16, who was shot fatally by his 8-year-old brother, Samuel, after an argument over comic books.

More Butter, Cream, Cheese In Storage

Federal State Survey Reveals That About 600,000 Pounds Of Fluid Cream On Hand

HARRISBURG — Steadily increasing amounts of butter, cream and cheese are being added to cold storage stocks of food in Pennsylvania for consumer demands during winter months, but amounts of eggs are declining as poultry about holds its own, the State Department of Agriculture reports today.

Fluid cream holdings in Pennsylvania cold storage plants increased about 600,000 pounds between August 1 and September 1. A federal-state survey revealed. Stocks on the first of the month totaled 2,500,000 pounds.

Supplies of creamery butter in storage advanced nearly 600,000 pounds during the month, standing at 3,400,000 pounds on September 1. Advances in American cheese holdings were approximately 300,000 pounds to a total of 2,700,000 pounds.

Poultry stocks showed a decrease of only about 50,000 pounds for the period. Holdings the first of the month were 2,420,000 pounds. Shell eggs dropped from 220,000 cases on August 1 to 150,000 on September 1. Frozen eggs declined from 7,500,000 pounds to 6,000,000 pounds.

DEWEY TO SPEAK
WASHINGTON, Oct. 7.—(INS)—The Republican National committee announced today that Gov. Thomas E. Dewey will deliver a major campaign speech in Kansas City, Mo., the night of Thursday, October 14.

Two Tax Stamps On Fags Explained

State Attempting To Use Up Old Supply Of Two Cent Stamps On New Packs Of Smokes

HARRISBURG — Acting Secretary of Revenue Otto F. Messner today said that two stamps of two-cent denomination are being

used on a package of 20 cigarettes, instead of the new four-cent tax stamp, to dispose of a large supply of the two-cent variety which were on hand when the tax was increased by the last legislature.

Messner also said that by using the two-cent stamps now it would give the department of revenue an opportunity to build up a reserve of four-cent stamps, which will enable it to meet any emergency regarding prompt delivery of stamps by the manufacturer.

Stamps of two-cent denomination, Messner explained, ordinarily

are for use on packages of 10 cigarettes. On the popular package of 20 cigarettes a four-cent tax is obligatory, but the fact that there are now appearing, through an arrangement with stamp affixing agencies, two stamps of two-cent denomination instead of the new four-cent stamp does not mean that old cigarettes are being unloaded and the purchaser is not getting a fresh pack.

One hundred dollars at one per cent interest compounded will double itself in 69 1/2 years.

PLAN HOMECOMING AT INDIANA STATE TEACHERS COLLEGE

Homecoming day for the State Teachers College at Indiana, Pa.,

will take place on Saturday, October 16, it has been announced by R. F. Webb, chairman of the event.

Over 15,000 Alumni and friends have been invited to attend the gathering with the feature of the afternoon to be a gridiron clash be-

tween Indiana State and Edinboro State at 3:30 o'clock.

During the evening, dancing and other entertainment will take place with plays to be presented. A buffet luncheon will be presented

at noon and the homecoming dinner in the college dining room at 6 p. m.

The largest marlin ever caught weighed 976 pounds, was 12 feet 8 inches long.

Meat Slaughter in State On Increase

State Has 1900 Licensed Meat
Companies Who Slaughter Ani-
mals For Meat Production

HARRISBURG—While United States slaughter of livestock continued a downward trend during the first five months of this year compared with the same period in 1947, Pennsylvania slaughter of all meat animals except hogs showed an increase, the state department of agriculture reported today.

With approximately 1,800 commercial establishments licensed by the state, Pennsylvania ranks sixth among all states in slaughter of cattle.

During the month of May, Pennsylvania slaughter of beef cattle and veal calves showed declines of 1,000 and 2,000 head respectively from May 1947. Sheep and lamb numbers were unchanged, but hogs advanced 2,000 head. The five-month Pennsylvania total poundage for all species this year was 328,500,000 pounds, a drop of 10,000,000 from the same period last year according to Federal-State surveys.

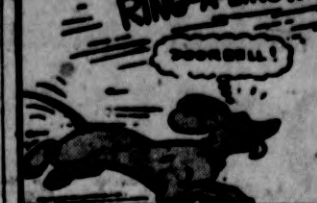

Slaughter of beef cattle for this January-May period was 315,000 head, a gain of 10,000 over 1947. Calves at 385,000 head showed an increase of 38,000; sheep and lambs at 115,000 represented a gain of 15,000 head, but hog numbers at 1,197,000 were down 131,000 head.

The average live weight of slaughter beef cattle and veal calves is less this year than last. Sheep and lambs show no change but hogs going to market are slightly heavier. The average January-May weight were: beef cattle, 996 pounds, down seven pounds; calves, 124 pounds, down three; sheep and lambs, 89 pounds, no change; hogs, 227 pounds, up two.

The Belgian Congo has an area of 906,654 square miles, and the estimated population was 10,000,000 around 1926, of which only 10,037 were white.

CHRISTIAN CHURCH MEETING

Rev. H. G. Spraggins Continues Meetings

Rev. Harry G. Spraggins of Fort Worth, Texas, evangelist and former Army chaplain, is continuing nightly, his series of meetings in the Primitive Methodist church, South Mill street, with a service each evening at 7:30 with the exception of Saturday.

Rev. Spraggins, who served as a chaplain at Camp Reynolds, was a former prisoner of war and received wounds during battle. Special music is being presented at each service. Rev. H. O. Fichter is directing the campaign.

Parasites Aid In Japanese Beetle War

Complete Final Battle For 1948
In Attempting To Combat
Disastrous Beetles

HARRISBURG—As its final effort during the 1948 season to combat spread of Japanese beetles, the State Department of Agriculture has just completed treatment of golf courses and grass lands in 10 heavily infested areas in western Pennsylvania, using what is known as "milky disease" which harms nothing but Jap beetles in the grub stage.

Milky disease has been used successfully by the State Bureau of Plant Industry in recent years. It has been particularly effective in southeastern Pennsylvania counties where beetles are on the decline in what is known as the heavily infested area of the state.

During and since the war it has been difficult to obtain any large quantities of the disease spores and distribution has been limited to areas where the beetles have multiplied to excessively large numbers, according to Dr. Thomas L. Guyton, director of the bureau.

In the form of a white powder, milky disease is spread by making small deposits of about a teaspoonful every five or 10 feet in heavy grassland soil. Disease spores, coming in contact with Jap beetle grubs, soon kill the grub but do not affect any other insect or plant life, Dr. Guyton declared.

On golf courses the spores are spread by shoes of players and in a few years the soil is free or practically free of the pests.

of Musicians union, had threatened that 100 union bands would be taken out of the parade if the school band participated.

The parade will be a feature of the 69th annual convention of

the Pennsylvania State Firemen's association, with the school musicians representing the Moyamensing Hood and Ladder company.

Robert B. Keel, union committee chairman, said the AFM's objec-

tion was withdrawn because the union had no wish to disrupt the expensive preparations of so many fire companies.

SOCIETY & Clubs

RAINBOW PLANS

COMING EVENTS
At the meeting of New Castle Assembly No. One, Order of the Rainbow for Girls, held in The Cathedral, Wednesday evening, with Worthy Advisor Jacqueline Mitchell, and mother advisor, Mrs. William C. Wheldon, presiding, plans for several coming social events were planned.

On Wednesday, October 20, there will be an anniversary buffet supper in the East Dining Room, to observe the twentieth anniversary of the institution of the New Castle Assembly. A social evening will follow.

On Wednesday evening, November 2, a scavenger hunt will take place, following a brief business meeting.

Plans for the Christmas night dance were also discussed. The orchestra which played for the Fifth Grand Assembly Ball in Pittsburgh, has been contracted for this event, it was announced.

Following the assembly meeting, there was a meeting of the advisory board, presided over by Mrs. Orville Potter, which approved the plans made by the assembly.

Next board meeting, will be in the form of a dinner on Saturday evening, October 23. Mrs. Evelyn McKibben was named chairman of arrangements, with Mrs. Bessie Pitzer in charge of the entertainment.

RAILROAD WOMEN'S

AID TO OPEN SEASON

Women's Aid of the E. & A. Division, Pennsylvania railroad, will open their fall season Tuesday afternoon in the club rooms at the West Side station. A luncheon will be served at 1 o'clock followed by a business meeting with Mrs. Marion Street presiding. A variety of social activities has been planned for the remainder of the afternoon.

Secretary Irene Uby announced that the staff will be the hostesses for the first of the series of meetings that will be held the second Tuesday of each month.

DINNER-INSTALLATION

FOR REBEKAH LODGE

Emeline Rose Rebekah lodge No. 37 met in the I. O. O. F. hall Wednesday evening for an installation dinner with Mrs. Marian Pander in charge. A color scheme of pink and green and vari-colored flowers decorated the tables.

Afterward installation ceremonies marked the meeting at 8 o'clock in the upstairs hall. Mrs. Myrtle Fawcett and her staff, from Enon Valley, were in charge.

Officers installed were: noble grand, Mrs. Ethel Cramer; vice grand, Mrs. Anna Stevenson; recording secretary, Mrs. Marie Roof; warden, Mrs. Arvilla Koch; conductor, Mrs. Georgia Stevens; right supporter to the noble grand, Mrs. Martha Fox; left supporter to the noble grand, Mrs. Julia Miller; right supporter to the vice grand, Mrs. Blodwen Davies; left supporter to the vice grand, Mrs. Jane Sanders; chaplain, Mrs. Pearl McNeese; musician, Betty Cadman; inside guardian, Mrs. Mildred Conti; outside guardian, Mrs. Vera Rigby; flag bearer, Mrs. Marian Pander.

Outgoing noble grand, Mrs. Bernice Mielke, presented each of her corps of officers with a gift and in turn, she was presented with a gift from her officers. Mrs. Bessie Sonntag making the presentation. Her jewel, gift of the lodge, was given to Mrs. Mielke by Mrs. Roof.

Flowers decked the hall for the occasion and a number of visitors from surrounding communities were present.

A collection among members was taken for the Rebekah Lodge Home in Pittsburgh.

MARGE HORNER IS

FETED AT SHOWER

Misses Margaret Moore and Ann Glenn were joint hostesses at a shower held Wednesday evening at the home of the latter, 1200 Highland avenue. They entertained a group of friends in honor of Miss Marge Horner, bride-elect of this month.

The evening was spent playing bridge. Dainty refreshments were served by candlelight at a table prettily appointed in the bridal motif. Aiding the hostesses was Mrs. James Cummings.

The honoree was then presented with an array of lovely and useful gifts which were arranged around the mantel which was decorated in pink and blue crepe paper.

Miss Horner, daughter of Dr. and Mrs. William W. Horner of 222 Fairfield avenue, will become the bride of Dean R. Nelson, son of Mr. and Mrs. Harold T. Nelson of Warren, Pa., Friday morning, October 15, at the Trinity Episcopal church in the presence of the immediate families.

Tau Delta Class

Members of the Tau Delta class of the Epworth Methodist church met at the home of Mrs. Walter C. Gilmore, 638 East Washington street, Tuesday evening.

Devotionals were led by Miss Pauline Parker.

Mrs. W. C. Druschel, president, presided and read a letter from Mrs. Charles Andrews, their teacher. Mrs. Andrews is ill at the home of her daughter, Mrs. James Fitzgerald, Detroit, Mich.

The class members wrote a "round robin" letter to Mrs. Andrews. A delicious lunch was served by the hostess, assisted by Mrs. Joseph Campbell and Miss Connie Sanfilippo.

The next meeting will be Nov. 2 at the church.

P.S. Club

Members of the P.S. Club were entertained at the home of Mrs. Joseph Owoc, of Ralph avenue, Tuesday evening.

The evening was spent in an informal social manner with sewing and knitting the main pastimes. The members made plans for an outing to Pittsburgh, October 28.

A lovely gift was presented to Mrs. Joseph Garczynski for her new baby from the club members. Mrs. Frank Kresowaty was special guest of the evening.

The hostess served a tasty lunch with Mrs. Kresowaty assisting her. The next meeting will be November 2 at the home of Mrs. Thomas Pawlak, of Walpole.

W.L.T.Y. Club

Members of the W.L.T.Y. Club met at the home of Mrs. Frank Dute, of East street, Wednesday evening.

Two tables of bridge were in play with prizes going to Mrs. Dute and Mrs. Betty Haines. Delicious refreshments were served by the hostess aided by Mrs. Robert Clarke.

The group will meet again at the home of Mrs. Betty Haines, of Cumberland avenue, October 18.

Tempus Fugit Club

The meeting of the Tempus Fugit Club which was scheduled for this evening at the home of Mrs. Don Mooney, of Emery street, has been postponed for two weeks and will meet at the home of Mrs. Mooney, October 21.

Improvement Noted

In Chicken Business

Volume Of Baby Chicks To Be Hatched In State During Period Greater Than 1947

HARRISBURG — Chicken business in Pennsylvania—the third biggest poultry state in the nation—continued to pick up during August and indications are that the volume of baby chicks hatched during September and October will exceed the same months last year by a good margin.

According to Federal-State surveys announced by the State Department of Agriculture, hatchings during August totaled 1,800,000 baby chicks, considerably above the 1,170,000 turned out by hatcheries of the state in the same month in 1947. Average production for August, 1942-46, was 2,738,000, a high mark made possible when wartime demands prompted farmers to increase production of eggs and poultry meat.

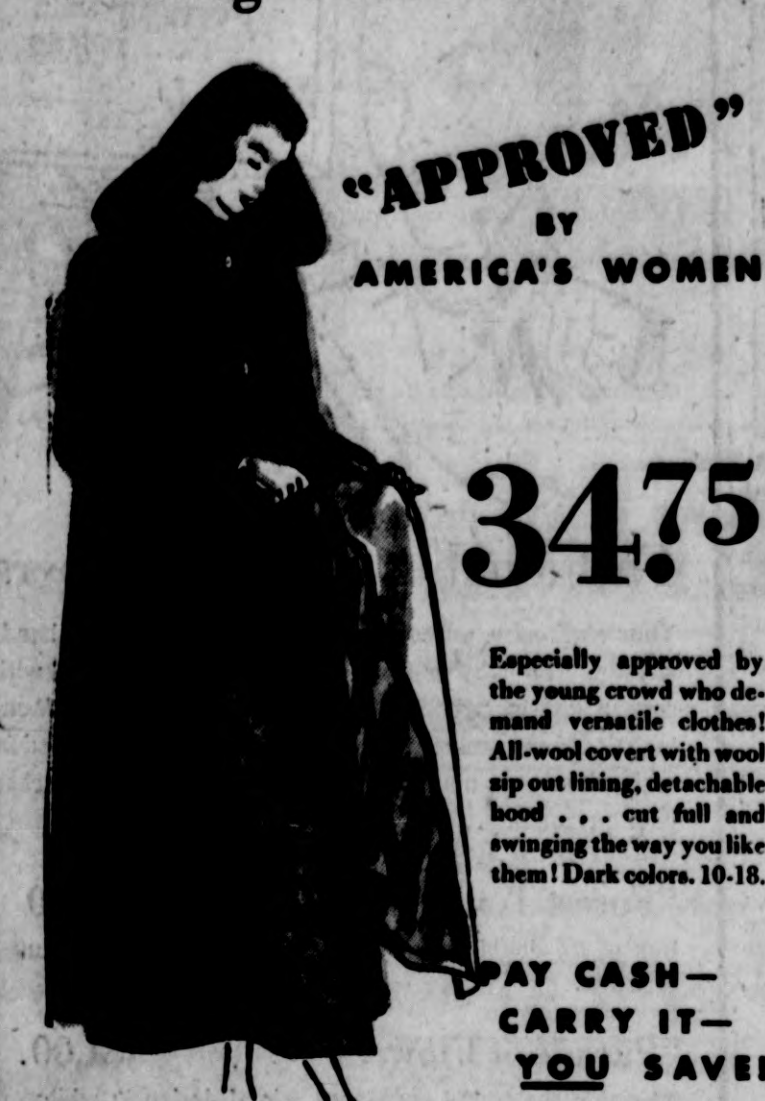

Hatching since January 1, 1948 total 50,650,000 chicks, 10 per cent less than the production for the same eight-month period in 1947. Greater abundance of feed grains is expected to encourage farmers to enlarge their flocks or grow more broilers, indicating the output of hatcheries in the coming months will exceed that for the

What goes on here?

Referee makes first down—or did he really just miss it? Field judge blocks out the nearest tackler—or was it clipping? If the officials call 'em—and play too—what kind of a game is that?

You wouldn't stand for that sort of thing on a football field—but it happens every day in the electric light and power business. Government not only regulates the electric companies—but is in competition with them at the same time!

The catch is that government sets up two different sets of rules. Government electric agencies pay little or no interest on borrowed money, and pay no Federal taxes—but electric companies do, and expect to. When government-in-the-power-business can't make ends meet—it gets a handout of tax money from the U.S. Treasury. Who foots the bill? American taxpayers—of which you are one.

How famous stars in radio's great new dramatic show—THE ELECTRIC THEATRE... CBS, Sundays, 9 P. M., EST.

If government can get into the light and power business this way—it can get into every other business in just exactly the same way.

In sixty-odd years, the self-supporting electric companies have built for America the most and the best electric service in the world. While costs of everything else are way up (including the costs of making and delivering electricity) electric service is still the best bargain in the American family's budget... it does so much, and costs so little.

This is a good record for the thousands of people who work in power companies, and for the millions of people who invest savings in them.

Don't you think these men and women deserve a fair break?

The answer is yours to make, for government money is your money.

Washington

Russia Not Wanting War

Such Is Belief Of Top Experts On Russia In U. S. Government

OTHER NEWS OF NATIONAL AFFAIRS

(Special to Control Press)

WASHINGTON, Oct. 7.—Top experts on Russia remain convinced that Soviet leaders do not want war, despite the new low in east-west relations resulting from the stalemated Berlin situation. They do fear, however, that a Russian miscalculation may arouse public opinion in the western democracies to the point where war would become inevitable.

The Berlin situation is peculiarly fraught with danger because all the elements are present whereby Russia could bungle its way into war. In Berlin, armed forces of the opposing powers face each other daily.

The Soviet harassment of western power air lift operation always carries with it the possibility that Russia will overstep the boundaries of western tolerance.

Soviet-inspired Communist rioting can at any time spill over into the western zones of Berlin in such a way as to bring about western armed intervention and Soviet-armed retaliation.

Uppermost in the minds of the western leaders, however, is Russia's newly-stated policy that Soviet control of air transport into Berlin is as important to her as control of rail and other surface transportation.

Should Russia decide to blockade western zone airports in Berlin, a war situation of surpassing seriousness would be created.

Western officials are convinced that Russia has plans to increase the "squeeze" in Berlin. Their reaction will be dictated by the temper of their people.

Ferguson Would Be A. G.—Michigan's white-haired Senator Homer Ferguson, ace Senate investigator, has his eye on the attorney-generalship if GOP presidential candidate Thomas E. Dewey wins the election.

Friends of Ferguson make no secret of the fact that Ferguson, whose running battle with Attorney General Tom Clark has made headlines, would like to succeed Clark in a GOP administration.

Political experts believe the Wolverine junior senator has a fair chance of making the grade.

Most logical Dewey choice for A. G. concededly would be Senate GOP policy maker Robert A. Taft of Ohio. Taft could have the job as a reward for his gesture at the GOP national convention last June, when he released almost 300 delegates on the third ballot in the interest of party harmony.

The other Dewey rival followed suit. Taft got credit for starting the ball a-rolling. Taft, however, is known to feel that he is useful in the Senate, especially in view of the critical times ahead. Ferguson, like Taft, is an able lawyer. He was a famous Michigan prosecutor before he became a senator.

Crossed Democratic Wires—Somebody in the administration has his wires crossed. Commerce Secretary Charles P. Sawyer says the Supreme Court's decision in the cement industry case may have an inflationary impact on business. This is the opposite of what the administration has been seeking through its campaign of trust-busting.

These anti-trust suits are being brought to tear down alleged price-fixing contracts and agreements between components of an industry.

Sawyer's statement that the opposite might result is not likely to sit well with some administration officials, particularly Attorney General Tom Clark who heads up the anti-trust campaign.

The Supreme Court ruled that the basing point system, under which a standard price is charged for a product throughout the country regardless where it is shipped from, is discriminatory.

The ruling means that some users are going to pay more for products in the future simply because they are situated far from the point of origin and will have to cough up the freight charges.

Over 40,000,000 rooms have been decorated with

Enon Valley Church Will Observe 75th Anniversary Event

ENON VALLEY PRESBYTERIAN CHURCH

Plans have been completed by members of the Enon Valley Presbyterian church for seventy-fifth anniversary celebration of the founding of the church, with appropriate services to take place in the church Saturday evening, October 9, and Sunday, October 10.

Open Saturday Night
The pastor, Rev. Robert Bell, will be in charge of the commemorative services which will open with community night at 8 o'clock on Saturday evening when an opportunity will be given the members of the church to reminisce over bygone days and to renew acquaintanceships of bygone days. The informal period will last for approximately two hours and at 9 o'clock a special program will be presented. Special music by a visiting quartet is on the program as well as other musical selections of a special nature.

Former ministers and former members will speak briefly during the Saturday night program. Mrs. J. H. Braden will bring greetings on behalf of the congregation. A social hour with refreshments being served will bring to a close the first service.

The celebration will continue over Sunday beginning with the Sunday school hour at 10 a. m., covering the morning worship period at 11 a. m. and closing in the afternoon with a two o'clock service. Several former ministers will be presented during the day.

Sunday Program
The Sunday program follows: Bible school, 10 a. m.; H. B. Reibold, supt.; Eleanor Lambright, pianist; remarks by W. W. McMillin.

Morning Worship—11 A.M.
Call to worship; invocation; pastor; congregational singing—hymns; responsive reading; special music; scripture and prayer. Rev. Davidson; offering and announcements; special music; sermon, Rev. W. J. Engle; benediction and doxology.

Lunch to be served at I.O.O.F. Hall.
Afternoon Program—2 P.M.
Congregational singing followed by prayer; church history, Sue V. Rager; special music; remarks, Dr. S. A. Kirkbride and other visiting pastors; offering; closing hymn—"God Be With You Till We Meet Again"; benediction, Rev. Kirkbride.

Congressman To Back His Charge

Rep. McDowell To Appear Before Grand Jury In Charge Indictments Inefficient

NEW YORK, Oct. 7. — (INS) — Rep. John McDowell (R) Pa., made plans today to appear before the federal grand jury in New York next Monday to back his charges that the indictments against America's 10 top Communists are inefficiently drawn.

Accepting the challenge of U. S. Attorney John F. X. McGohey to come to New York and prove his statements that the indictments "were drawn up in a way they won't stick," McDowell asked for a postponement until Wednesday.

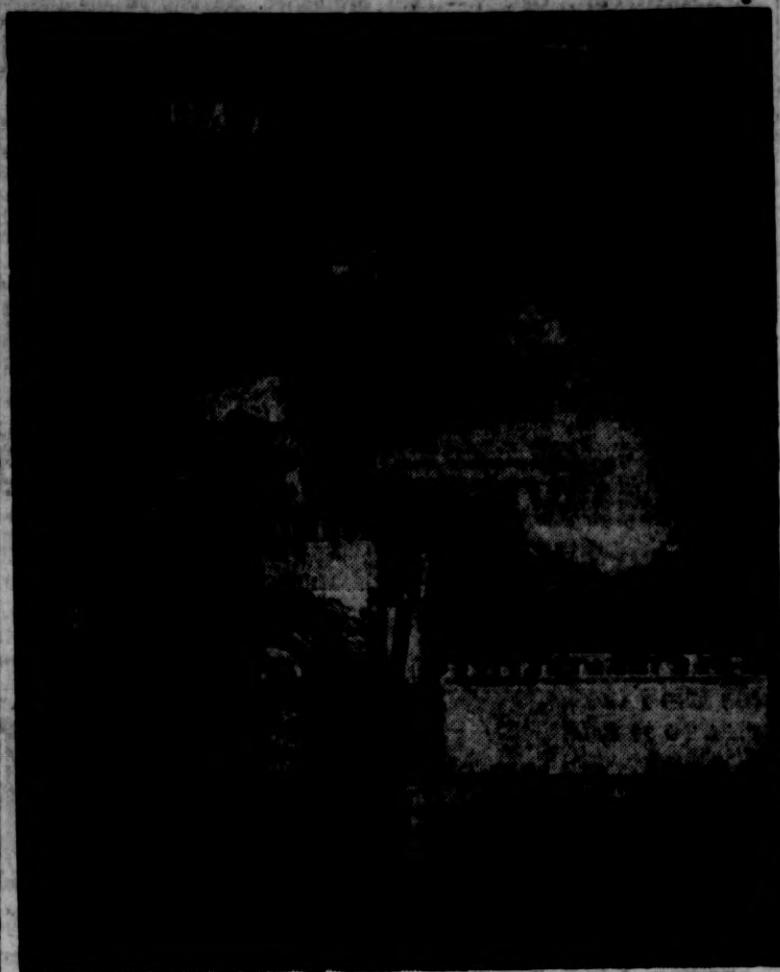

In a telegram answering three previous requests from McGohey, who drew up the indictments and disputes McDowell's claim, the Republican representative said he needed until next week to replace the managing editor of his newspaper in Wilkesburg, Pa.

McGohey, meanwhile, defended another charge that the F. B. I. was ineffective in obtaining evidence against Communists. "We have plenty of evidence," the U. S. attorney said.

He was answering a charge by left-wing labor attorney Harry Secher in federal court that both President Truman and Attorney General Tom Clark had declared the FBI with inefficiency in the investigation.

CHIEF HAS A HEART
ARLINGTON, Tex. — Police Chief Ott Cribbs has two boys of his own and knows how youths "can just naturally get into trouble." That's why three teen-agers got off so easy after their car smashed into a nursery house here. None of the youths had a driver's license. Cribbs ruled that they pay for the damage, which was minor, and released them.

Employ Physically Handicapped

—New Castle News Photo

Physical handicap is a year around problem that most people forget about until "Employ the Physically Handicapped Week" arrives. Above is a picture of a man who suffers from injuries that do not permit him to lift anything. Through proper adjustment in industry he was able to secure a job at the Johnson-Bronze company in New Castle. Today he operates a huge press that weighs tons. The man is Harry Schell, a veteran of landings at Peleliu and Ulithia in the South Pacific. He is operating a reset machine that performs seven simultaneous in the manufacture of the Ford main bearing.

BIZARRE ACCIDENT
LONG BEACH, Calif. — In one of the year's strangest accidents, Gary Lowell Worrell, 9, was killed while riding on top of his father's

automobile. When the elder Worrell stopped the car, Gary slid forward. His head struck the vehicle's radio aerial and the point of the metal rod pierced an eye, penetrating the boy's brain.

Permission To Resign Sought By Cabinet Of Japan

By HOWARD HANDLEMAN
(U. S. Staff Correspondent)

TOKYO, Oct. 7. — Prime Minister Hitoshi Ashida went to Gen. Douglas MacArthur's headquarters today to seek approval of his cabinet's resignation in Japan's worst government crisis since the war.

Ashida indicated he would break all Japanese precedent by resigning without going to Emperor Hirohito for permission.

He said he intended to report his cabinet's decision to resign to Brig. Gen. Courtney W. Whitney,

chief of the government section at MacArthur's headquarters in Tokyo.

Last February, Premier Tetsu Katayama was criticized as "undemocratic" for reporting to the emperor when he and his cabinet stepped out of office.

The Ashida cabinet, a coalition regime composed of ministers from the premier's Democratic and from the Social-Democratic (Socialist) parties, voted to resign at an emergency session earlier today.

The decision climaxed a scandal implicating a former state minister in the Ashida government and other leading political figures in charges of bribery stemming from loans to the Showa Denko fertilizer combine.

By formal vote, the cabinet directed Premier Ashida to request Gen. MacArthur's approval of the en bloc resignation.

Ambassador To Delay His Return To Moscow Post

WASHINGTON, Oct. 7. — (INS)

—Uncertainties in the crucial world situation today caused Ambassador to Moscow Walter Bedell Smith to stand by for White House orders on his immediate plans.

Smith has delayed his return to Moscow for several days to enable him to be on hand when President Truman confers Saturday with Secretary of State Marshall, suddenly summoned home for consultation on the world situation.

Marshall's return home aboard the presidential plane, the Independence, was said by the White House to represent no particular crisis but the State Department reported that the secretary would discuss matters of "considerable importance."

This led to the assumption that a United States course through the complicated developments at the United Nations Assembly meeting in Paris, with all its implications, will be the chief topic.

The delay in Smith's plans was confirmed by White House Secretary Charles G. Ross from the presidential campaign train. Ross said that Smith is "standing by to confer with the President at his pleasure."

There are 900 different uses to which gypsum rock can be put industrially.

Howard Greenfield Serves In Yokohama

HEADQUARTERS, EIGHTH ARMY, YOKOHAMA, JAPAN. — Howard W. Greenfield of 717½ Grant street, New Castle, Pa., is now serving as a heavy equipment operator with the 243rd Port Company.

Stationed in Yokohama, Japan's major port city and seat of the headquarters of the Eighth Army, Recruit Greenfield's company supervises the loading and unloading of transports, operates cargo handling machinery, and repairs Army vessels.

Recruit Greenfield arrived in this theatre in August of this year. Drive Slow—Children Move Fast.

WHY SHOULD FOOD PRICES BE DIFFERENT ON DIFFERENT DAYS?

A&P SEES NO GOOD REASON!

A&P sees no reason why Monday's shopper should pay more for the same foods than Saturday's shopper. We feel that our customers have the right to shop on the day of their choice. And that their budgets should benefit just as much one day as the next.

That's why A&P prices are thrifty prices every day in the week. That's why A&P's policy has been—and always will be—the lowest possible prices for the highest possible quality day-in, day-out all week long. Try A&P's tested savings policy yourself. It's the smartest way to enjoy delicious foods—and stretch your dollars, too!

Dewey To Speak Three Times In State Monday

Will Make Addresses In Erie, New Castle and Pittsburgh On Trip

HARRISBURG, Oct. 7.—(INS)—Gov. Thomas E. Dewey was slated today to make three campaign speeches Monday at Erie, New Castle and Pittsburgh.

The Republican state committee said the Republican standard-bearer has been tentatively scheduled to speak at Erie about noon and later at New Castle where his train will stop enroute to Pittsburgh where a major address will be delivered in Hunt Armory Monday night.

A 15-minute platform speech has been listed for New Castle, according to the committee. Dewey will leave the state after the Pittsburgh address.

Allan Ramsay was a Scottish portrait painter, born in 1713, died in 1794. He was made court painter to George III in 1767, and one of his portraits of George III is in Independence Hall, Philadelphia.

Mrs. J. R. Patterson and Mrs. F. R. Munnell attended the monthly D.M.C. meeting at the home of Mrs. Howard Kirk, of New Wilmington.

Mr. and Mrs. Summerhill have moved into the apartment vacated by Mr. and Mrs. Glasgow in the Mason house on the farm formerly owned by M. B. Orr.

Mr. and Mrs. T. R. Dunn, of Sandy Lake, Mr. and Mrs. Harold Taylor and son, of Jackson Center, and Mr. and Mrs. Russell Rodgers, of the Indian Run community, called in the Robert Patterson home during the week.

Dr. and Mrs. Charles McConnell, of Evanston, Ill., and Mr. and Mrs. R. E. Armstrong and Sally, of Mercer, called on Mr. and Mrs. J. H. Armstrong, recently. The latter and their daughter, Mrs. John Woods, and children spent Saturday in New Castle.

Mr. and Mrs. R. E. Hume were Saturday evening dinner guests of Mr. and Mrs. Charles Sporek, of Pittsburgh. Callers in the Hume home included: Dr. and Mrs. Frank, of Grove City; Miss Zella Breckenbridge, the Misses Montgomery, Mrs. Robert Clark, Mrs. Esma Minick and Mrs. Harold Scowden and Jimmy, of Mercer, and Mr. and Mrs. Abe Uber.

Dr. and Mrs. Harry Ficks, of Brownsville, were Sunday guests of Mr. and Mrs. G. W. Masters.

Mrs. A. V. Perry, of Venus, is a guest in the home of Mr. and Mrs. C. A. Fink.

Mr. and Mrs. W. J. Martin, of Slippery Rock, were recent guests, of Mr. and Mrs. S. O. Drake and with Mrs. Drake, visited Mr. and Mrs. Hiram Drake, of Jackson Center. Mr. and Mrs. H. W. Johnson were recent callers in the home of Mr. and Mrs. Drake. The

latter, with Mr. Drake's nephew, Dr. Charles McConnell and wife, of Evanston, Ill., spent an evening with Mr. and Mrs. Charles Sporek.

New Safety Code For Transportation Of School Children

JACKSON MILLS, W. Va., Oct. 7.—(INS)—A national conference on school transportation meeting in Jackson Mills today adopted a more stringent safety code for the loading and unloading of America's 5,000,000 children who are transported to school daily.

The conference will recommend to the 48 states that flashing red lights, used on emergency vehicles

such as ambulances and fire engines, be made regular equipment on the nation's 90,000 school buses.

Engineers of the automotive industry, safety consultants and transportation officers from 44 states are attending the conference called by the National Education Association's commission on safety education.

Watt said that three days after the gas company announced it had adequate supplies, he had no gas in his home. He added that fires went out and even pilot lights didn't work.

Kane is located in gas fields, but has experienced gas shortages during the winters for several years.

Southern Democrat Predicts That Dewey Will Sweep Country

WASHINGTON, Oct. 7.—(INS)—Rep. Cox (D) Ga., influential member of the southern delegation, predicted today that Gov. Thomas E. Dewey "will sweep the country" in the Nov. 3 presidential election.

Cox thinks states rights forces will carry possibly five states for the Thurmond-Wright anti-Truman ticket but will not obtain sufficient electoral votes to throw the election into the House.

The Georgia Democrat, a member of the House Rules Committee declared that even if the Democrats win control of the Senate, "it won't mean much from the standpoint of Mr. Dewey."

Cox explained that as long as the Republican presidential nominee "maintained a middle course" southern Senators would continue to cooperate with Republicans on legislation on which they saw eye to eye.

The only practical effect of a Democratic victory, he added, would be that the Democrats would obtain favored committee posts and control Senate patronage.

Cox, one of the "elder statesmen" of the south, predicted that southern members would continue "working alliances" with northern Democrats on purely party matters in the next Congress.

Uses New Method To Prevent Holdup

WASHINGTON, Oct. 7.—(INS)—Mrs. Edna Sivile, a plucky waitress in a downtown restaurant, used a new method in preventing a \$4,000 robbery in the eating establishment.

Mrs. Sivile was waiting on customers near closing time early Wednesday when a well-groomed man who had been drinking, walked up to the cashier, motioned his head toward the cash register and muttered:

"I'm blowing town in a few minutes. And don't try to be a big shot."

At that time the waitress came up for change and sized up the situation. She calmly seized the man by the arm and escorted him out the door.

Spanish War Vets Auxiliary To Meet

The regular meeting of the north western district Council of the Auxiliary of the United Spanish War Veterans will take place on Sunday, October 10, at 1:30 p.m. in the American Legion Home, North Jefferson street. A good attendance is expected from the Daniel Leasure Camp No. 24 of Auxiliary No. 52.

The Daniel Leasure Post will have its regular monthly meeting on Monday, October 11 at 7:30 p.m.

Drive Slow—Children Move Fast.

SANTA CLAUSES WANTED WASHINGTON, Oct. 7.—(INS)—The following help wanted ad was carried in Washington papers today:

"Santa Claus

"A large department store is accepting applications for Santa Claus. A pre-holiday course in upper New York state will all expenses paid. Highest references desired."

Shakespeare, in his will, bequeathed only his "second best bed with the furniture, to his wife. She was amply provided for, however, by virtue of her rights of dower.

Civilian Payroll Of Government At Half Billion Monthly

WASHINGTON, Oct. 7.—(INS)—Sen. Byrd (D) Va., chairman of the joint economy committee, said today that the federal government's civilian payroll now is more than a half billion dollars monthly.

In the special congressional committee's monthly report, Byrd said the government added 586 civilian employees daily through August—a total of 18,195 for the month.

Byrd said that the civilian payroll was \$16 million dollars in July, the last month for which figures are available.

The average government worker got \$245 in July, \$10 more than in June, Byrd said.

The Virginia economy advocate predicted that "on the basis of present indications, the federal payroll for the current fiscal year will exceed six billion dollars."

State Slaughter Shows Increase

HARRISBURG, Oct. 7.—(INS)—Slaughtering of commercial livestock took a downward trend nationally this year, but butchering of calves, sheep and lamb rose in Pennsylvania, the Agriculture department reported today.

During the initial seven months of 1948, approximately 519,000 calves were slaughtered, 50,000 over the same period last year, the department said. Sheep and lambs totaled 160,000 head, a gain of 12,000 over 1947, it added.

The number of hogs slaughtered decreased by 145,000 to 1,450,000 for the period while killing of beef cattle fell off slightly, according to the department. Those slaughtered were lighter in weight than during 1947, it added.

HARRISBURG

CHURCH NOTES
The Unity Baptist church will hold the regular services on Sunday, October 10.

Thursday evening, October 7, the Friendly Missionary Circle will meet with Mrs. Mabel Kneram.

Mrs. Virginia Stewart is the hostess and Miss Helen Maccom will be the leader for the meeting.

Friday evening, October 15, a Halloween party will be held by the B.Y.P.U. in the church basement with Mrs. Norman Wimer hostess and Mrs. Melvin Jervis assistant hostess for the evening.

Thursday evening fifteen from the Unity Baptist congregation attended the special services being held in New Castle at the First Baptist church. Rev. John Barbee of the Fuller Foundation was the speaker.

The Ellen Bell Missionary society of the Presbyterian church will hold an all-day meeting at the church Thursday. The leaders for the meeting are Mrs. Anna Johnson and Mrs. Jennie Eagleson. Mrs. Pearl Rodgers is the hostess.

HARRISBURG NOTES
Mrs. Bertha Eakin is visiting with Mr. and Mrs. Harold Offitt and family of Ellwood City, R.D.

Mr. and Mrs. Norman Collins and Mr. and Mrs. Bertram Miller of Pittsburgh have returned from a months vacation during which they toured to California by the northern route and returned through Mexico.

Mr. and Mrs. Joseph Schmitt of Dormont visited for a week at the home of Mr. and Mrs. Thomas McCormick recently.

Mr. and Mrs. Don Baker and family of Middle Lancaster, and Mr. and Mrs. Mike Diana, of New Castle, were recent dinner guests of Mr. and Mrs. W. E. Frazier.

Rev. J. A. McDonald of Youngstown was a recent guest of Mr. and Mrs. Robert Peebles. Mrs. Martha Holmes, of Fayette, visited at the same home.

Word has come of the death of Mrs. Margaret Galley Campbell of Youngstown. She was a teacher of the Hannah McDonald Sunday school class and when she was absent Sunday morning, they went to her home and found she had passed away in her sleep. Her former home was in the vicinity of Harrisburg and she will be remembered by many here.

Dave Mallinak has returned from the Jameson Memorial hospital where he has his tonsils removed.

James Smith, of Chicago, spent an evening recently with Mr. and Mrs. Orville Maccom.

Mr. and Mrs. W. E. Frazier and Thelma were Saturday night dinner guests of Mr. and Mrs. Mike Diana of New Castle.

Mr. and Mrs. B. Miller of Pittsburgh were recent visitors at the home of Mr. and Mrs. Harold Miller.

Mr. and Mrs. Thomas McCormick were in Pittsburgh recently attending the Ice Capades and other events.

Miss Edythe Harlan entertained Friday evening the sophomore and freshman classes. This was the sophomore initiation of the Freshman party. Mr. and Mrs. Delbert Eakin were special guests.

Nick McCracken is improving at home from an operation he had at the Jameson Memorial hospital.

W. S. Weigle is much improved now in health.

Freddy and Gary McCurdy, of New Castle, spent the week end with their grandmother, Mrs. McCurdy.

The P.T.A. is giving a musical show at the Liberty Grange Thursday evening at 8 o'clock. This is a change of evening.

Twenty-five members of the Saddle club met at the home of L. T. McCracken Saturday night for a moonlight ride.

Mr. and Mrs. E. Frazier were recently in Middle Lancaster, visiting with Mr. and Mrs. Don Baker and family.

Mr. and Mrs. John Deahl, Tamara and Alex of New Kensington and Mrs. Deahl of Butler, were Sunday guests of Mrs. J. O. Humphrey.

Several bus loads of Harrisburg students were taken to West Pittsburg last week for the Pennsylvania Power open house and also visited other places of interest. Many attended the open house of the American Can factory also.

Mr. and Mrs. L. Pringle of Franklin were week-end guests of John and Miss Beattie McCalmont.

Army Enlists
Three Local Men

Pfc. Pete Colla of the local U. S. Army and Air Force recruiting office announced today that Ilario DeBlasio, West Pittsburg, and Anthony Yaneli, 418 Hawthorne St., have enlisted and been accepted for service with the U. S. Air Force.

David Freed of 1025 Court street, has enlisted for one year under the Army's special enlistment program for 18 year olds, at the recruiting office in the Post Office Bldg.

FROM LEVER BROTHERS COMPANY

Good Taste

SERVING DINNER

"How may I gracefully serve a dinner without a maid?"
Answer: As many items as possible should be on the table before the guests are seated so that the hostess may be subjected to the minimum of "ups and downs". The table should be completely set in the conventional manner. At each place should be all of the silver required for the meal. Water goblets should be filled, bread and butter should be on the individual plates and the salad should be at each guest's place. All these should be on the table and the dessert plates, coffee service and fin-

gerbowls placed on the serving table before dinner is announced.

A three-course meal will save the hostess many steps to and fro from the kitchen. As a first course serve tomato juice or fruit cocktail. Hot soup adds complications to the servantless dinner, for it must be served after guests are seated. When the fruit course is finished, remove the dishes, and then serve your main course. The hostess may have, for convenience, by her chair a set of shelves, the top row to be used for fresh plates and the lower for used plates.

Carving may be done in the kitchen or at the table, as preferred. Many hostesses, unassisted by a servant, serve platters, arranging them in the kitchen.

Question: For my daughter's forthcoming wedding, should the ushers be chosen by her from among relatives and friends or should they be chosen by the groom?

Answer: The groom chooses the ushers from among his relatives and friends; but just as the bride has a "groom's bridesmaid" who is usually his sister or a favorite

cousin, the groom selects a "bride's usher" who is usually one of her brothers. This is an act of courtesy to each other.

Present your problems to Miss Market who will promptly send personal replies to questions from readers inclosing stamped, addressed envelopes.

Drive Slow—Children Move Fast.

FRUIT
HARRISBURG—Adams county stands first among all Pennsylvania counties in the value of specified fruits and nuts harvested on farms, according to the State Department of Agriculture. Franklin county stands second and Erie third. Adams ranks 64th among all 3,000 counties in the United States.

TIME FOR COFFEE? TIME FOR "BATTER" BREAD

Mary King's SPEEDY CARAMEL "BATTER" BREAD

Make a large composition by kneading in 1/4 cup lukewarm water.

1/4 cup milk, scalded; 1/4 cup shortening, melted; 1/4 teaspoon salt; 1/4 cup sugar; 1 teaspoon baking powder; 1/4 teaspoon allspice; 2 eggs, beaten.

To lukewarm and add the softened yeast.

3 cups sifted King Midas Enriched Flour, sifter size; beat well after each addition. Cover.

In warm place (80-85° F.) until batter is light and nearly doubled. Beat well.

1/4 cup melted butter; 1/4 cup brown sugar; 1/4 cup nut butter.

alternate layers of "batter" and mixture into a well-greased, tube pan. Cover and let rise until doubled in bulk, about 30 minutes.

In a moderately hot oven (400° F.) for 40 to 45 minutes.

Another Choice

"Batter" Bread Recipe From Mary King's Testing Kitchen

For coffee? Time for a slice of Mary King's Caramel Nut Bread, fragrant and warm from the oven, oozing with very brown sugar and nut it's so delicious... so easy! Mix all in one bowl—beat, drop and bake! No kneading! No shaping! And, for perfect results, you'll use this Mary King recipe, tailor-made to fit the baking qualities of high protein King Midas Flour—the flour you'll want to use for all of your bread baking!

NO PLACE IS SAFE
MALDEN, Mass.—A man quietly making a hedge in his own yard would be safe from harm, but not 63-year-old Joseph Hardy. He was hospitalized with critical injuries when a car crashed into his back yard on the day of the parade, no one could find the key.

NO KEY, NO BAND
JAFFREY, N. H.—This mountain town had to hold its 75th anniversary parade without the Conant High school band. The instrument was left in a room and on the day of the parade, no one could find the key.

Our 64 Dollar Question Is...

"What Makes a Groaner a Groaner?"

Our Answer:
LUBRICATION

A complete Oil and Grease change will make your car purr and sing like "Bing".

Free Driver Of Blame In Death

Coroner's Jury Exonerates
Greenville Man Of Reck-
lessness In Child's
Death

INQUEST HELD WEDNESDAY EVE

Wilbur P. Baird, of 1 Shady avenue, Greenville, was exonerated of negligence in connection with the death of little Glenn Michael Grommes, of R.D. 3, who was fatally injured by Baird's auto, on Route 18, two miles north of the city, on September 23, by a coroner's jury, Wednesday evening. The inquest was conducted by Coroner Charles E. Allen in Alderman Edward D. Pritchard's courtroom on North Mercer street.

Dr. William J. Hinkson, who attended the injured boy in the Jameson Memorial hospital, stated that death had resulted from a fractured skull, at 1:10 a. m., September 23.

Eye Witness Heard

Nelson J. McCluskey, of R.D. 3, Katherine street, the only eye-witness except those in Baird's car, stated that the little victim came up over a terrace on the east side of the road, and ran across the highway, into the path of Mr. Baird's car.

J. V. Bowman, of R.D. 3, told of being attracted by the sound of the brakes being applied, and looked up from his front yard, where he was spreading topsoil for a new lawn, just in time to see the little fellow's body roll away from in front of the car, and of the Baird car coming to a stop.

Made Every Effort To Stop

Mr. and Mrs. Baird, and Ford E. Smith, of R.D. 1, Greenville, a passenger in the Baird car, stated that Mr. Baird had blown his horn, and had applied his brakes, and made every effort to stop, and at the same time tried to swerve the car toward the center of the road to avoid striking the child.

The jury which heard the testimony was composed of Claude Crill, Deane E. Smith, Thomas Jenkins, Russell C. Melvin, Jack French and Bart Richards.

FIRE THREATENS FARMERS MORE THAN CITY RESIDENTS

Farm residents are in greater danger from fire than are residents of towns and cities, according to the National Fire Protection Association, sponsors of the Fire Hazard Week, October 3 to 8.

Fire hazards are more numerous on farms because farmers keep large stocks of gasoline and kerosene on hand, because farms are in greater danger from lightning, because farmers use large quantities of combustible materials such as hay, rags and feed bags, because there are more lamps and lanterns on farms and because farmers have the problem of curing hay properly and keeping it dry to prevent spontaneous ignition.

Some recommendations for correcting farm fire hazards are:

1. Don't smoke in barns or in bed, and don't discard lighted cigarettes or matches heedlessly.
2. Get rid of flammable rubbish. When allowed to accumulate old papers, magazines, clothes, boxes or worn-out furniture are ideal tinder for a stray spark. Keep oily rags in metal containers to prevent spontaneous ignition.
3. Keep matches out of the reach of small children.
4. Store gasoline and kerosene in metal containers away from buildings.
5. Don't use flammable cleaning fluids.
6. Clean lamps and lanterns.
7. Keep machinery and engines clean.
8. Repair defective electrical appliances and replace frayed cords.

In addition, structural hazards cause half of all farm fires. If the heating plants, chimneys, lightning rods and wiring were installed properly and if flammable wood shingle roofs were replaced with fire-resistant roofing such as asphalt shingles, slate, asbestos or metal, 50 per cent of all farm fires would be prevented.

MAKE FRUIT HARVEST QUICK AND EFFICIENT

Fruit harvest is a time of rush and hurry. For this reason minutes and hours saved are extremely important. Even with the best of care, unexpected hot spells or rainy periods may upset normal harvesting or packing procedures, and result in the loss of fruit. It is important, therefore, to organize the work at harvest time to obtain the greatest convenience and efficiency.

Commercial apple growers find that the use of roller conveyors often saves many hours of unloading and storage time. This same device can be used to good advantage in getting the fruit to and from the packing table or belt.

Also important is the proper use of orchard wagons and trucks, in the field. One larger crew of handlers can operate more efficiently than two. There is less likelihood of workers getting into each other's way, with resulting loss of time, in the orchard and at the packing shed.

Report Chinese Seek To Evacuate Nanking Now

NANKING, Oct. 7.—(INS)—A Chinese government military spokesman said today the nationalist garrison of Changchun is attempting to evacuate the former Manchurian capital, long besieged by communist forces. The spokesman, Gen. Teng Wen-tai, told a Nanking news conference the government troops had launched an offensive to smash through the red lines encircling Changchun. He said spearhead units had driven to a point six miles southwest of the city, but added that the bulk of the nationalist garrison still was inside besieged Changchun.

Attend Meeting In Pittsburgh

Red Cross Officials From Lawrence County At Regional Meeting Wednesday

S. Glenn McCracken, Lawrence county chairman, American Red Cross, and Mrs. Louise McConnell, executive secretary, attended a meeting in Pittsburgh Wednesday conducted by C. Leo Wilhelm, regional director, Eastern Area, and Fred Laise, assistant manager. Representatives of 28 chapters gathered in the Y.M.C.A. to discuss national and local Red Cross problems.

An outline of budget needs, both local and national, was presented. Due to recent increases in the armed forces, budgets will be higher this year on a national basis. The goals and methods of the annual Spring fund raising were also discussed. Announcement of the opening of three new Red Cross blood centers in Pennsylvania was made at the meeting. The new blood center being established in Johnstown is the closest of these to New Castle.

Diplomas were presented to those instructors who completed courses at Camp Minne-ha-ha, the National Red Cross Aquatic school, at a meeting in the chapter house Wednesday evening of the Red Cross instructors club.

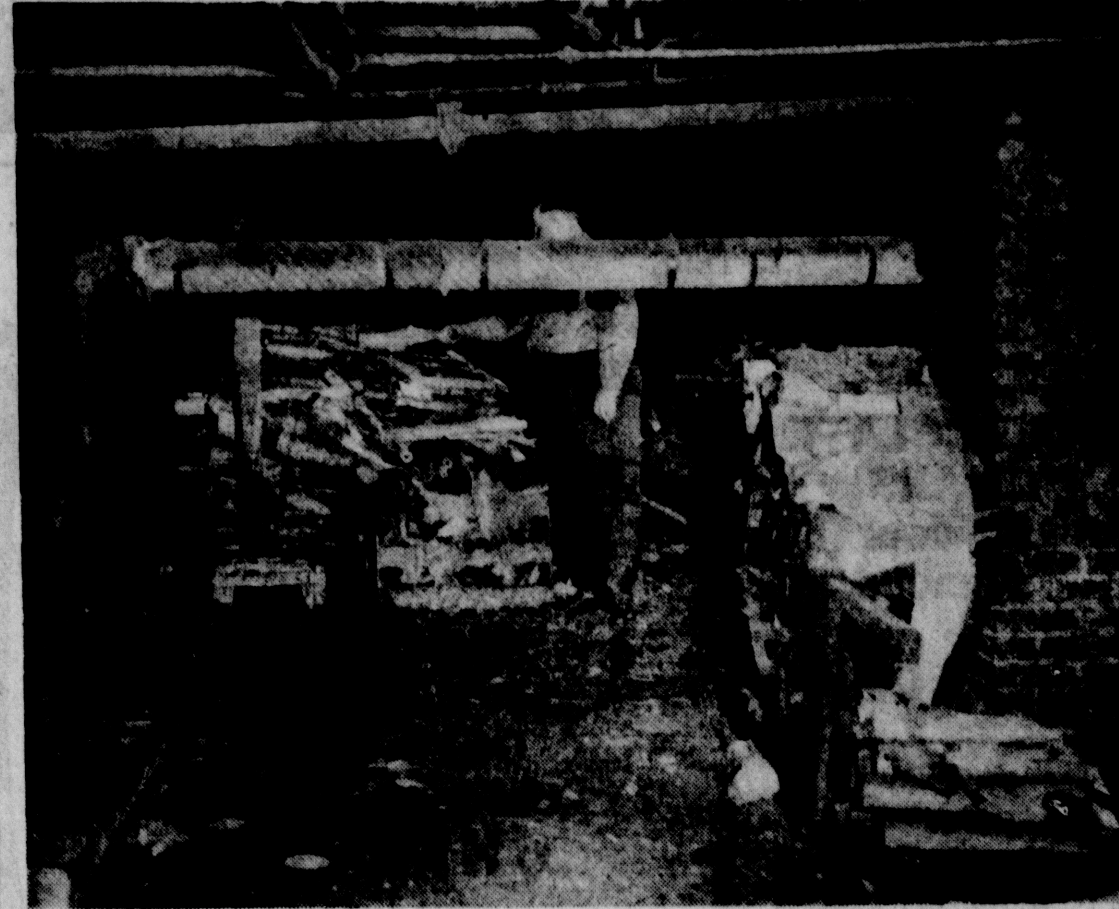

President Elmer Gerlach presided at the regular monthly meeting and the diplomas were presented by Mrs. Ruth Gibson, chairman of first aid. Those receiving diplomas were Mrs. Wanda Hughes, Ralph Reed, Miss Marguerite Uhl and Elmer Gerlach.

How To Relieve Bronchitis

Creomulsion relieves promptly because it goes right to the seat of the trouble to help loosen and expel germ laden phlegm and aid nature to soothe and heal raw, tender, inflamed bronchial mucous membranes. Tell your druggist to sell you a bottle of Creomulsion with the understanding you must like the way it quickly allays the cough or you are to have your money back. **CREOMULSION** for Coughs, Chest Colds, Bronchitis

Fire Prevention Week Reveals Hazards Here

—New Castle News Photo

Another photograph of existing conditions in New Castle is shown above. Here is a fire hazard that has existed in the basement of an apartment building. Fire would have a good start here. Firemen would have a great deal of trouble combating fire here. Note the piles of old rolls of wallpaper, also notice the low hanging pipes that will hinder firemen. This is Fire Prevention Week. Let's clean up our homes and business places.

New Service Is Planned For Miners

CINCINNATI, O., Oct. 7.—(INS)—United Mine Workers were told at their annual convention today that a new medical and hospitalization service has been established for them, to be financed from their 100 million dollar a year welfare fund.

The announcement, made in the name of the union at the convention, said the new service would be headed by Dr. W. F. Draper, former deputy director of the U. S. public health service.

The new plan was unveiled after UMW Chief John L. Lewis declared that UMW membership "has become increasingly more valuable" and urged that dues be doubled. He suggested a new scale averaging \$4 a month and that the initiation fee be increased from \$10 to \$30. Lewis' proposal was referred to a convention committee. It probably will be acted upon next week.

France Faces Strike Spread

PARIS, Oct. 7.—(INS)—Railway workers and sailors threatened today to join France's striking coal miners, posing a new blow to the nation's crippled economy. The coalition government of Premier Henri Queuille was reported considering requisitioning certain categories of workers in the mining centers of northeast France.

Maritime unions decided to call a 24-hour strike tomorrow, and increased agitation among railroad employees in northern and western France also was reported. A few miners in the Valenciennes region returned to work today, the bulk of the 350,000 idle workers stayed away from the pits.

COLD CASH SELTS
JEFFERSON, Ore.—A tavern owner, who put his money "on ice" each night a closing time, lost it when a burglar crashed the establishment's walk-in ice box and found \$850.

Suspect Held In Reuther Shooting

(BULLETIN)
PONTIAC, Mich., Oct. 7.—(INS)—Oakland county authorities disclosed today they were holding a former UAW-CIO local union officer as principal suspect in the April 20 shooting an UAW President Walter Reuther.

Held in the Oakland county jail is Carl Bolton, 39, alias Edward Majeski, who it is charged borrowed two shotguns the day before the Reuther shooting and at the same time stated:

"I've got to take care of that redheaded Communist son of a so and so."

HAPPY DAY COMING
AKRON, O.—An automobile fire eventually will be produced that will wear as long as the automobile on which it is originally placed, Dr. Waldo Semon, director of research for the B. F. Goodrich Co. predicts.

Await Decision In Ellwood City Injunction Case

Testimony in Ellwood Bus Co. Injunction Request Is Completed

Testimony was concluded Wednesday afternoon in the injunction suit brought by the Ellwood City Motor Coach company. The company asked an injunction restraining Arbitrator Charles Lysle Self from handing down any adjudication, claiming all matters had been adjudicated save wages.

William T. Clark, president of the Lawrence County Industrial Union testified Wednesday afternoon and said there had originally been 16 items in dispute but that this had been reduced to five. These five he said were still not adjudicated.

For the plaintiff, Ray Wooster had testified that the only issue remaining was that of wages. Ordinarily in a case of this kind, if an injunction is handed down it is preliminary and more testimony is taken for the final order. If a preliminary injunction is refused the case ends.

In this case, counsel for both sides agreed that the testimony taken for the preliminary would also stand for the final hearing so that whatever order and opinion Judge Lamoree hands down it will be final. The decision is expected within a few days.

Youngsters Hit Woman With Pistol

Two 11-year-old youths are scheduled for a conference with Police Chief Robert D. Hanna Saturday morning.

A cap pistol got 'em into trouble.

It appears two boys were "beating up" a son of Betta Regna, 110 North Diamond Way, yesterday. She went to her son's aid and was struck and wounded by one of the boys armed with a cap pistol.

The boys must report to the chief Saturday.

It was not until 1872 that Japan had railways.

Italy Charges Russia Blocks Fleet Transfer

ROME, Oct. 7.—(INS)—The Italian government insisted today that Russia herself is blocking the transfer to Soviet waters of 33 Italian warships under peace treaty terms.

Foreign Minister Count Carlo Sforza replied to a Soviet note demanding immediate action. He said:

"Since June 3 Italy has been trying to reach a direct agreement with the Kremlin on this matter."

"But Moscow on July 25 and in five subsequent meetings turned down four different Italian propo-

sals which sought minor concessions intended to improve Italo-Soviet relations."

"In face of the Soviet refusal, Italy has placed the entire matter in the hands of the quadripartite naval commission."

Diplomatic circles believe the Italian move is intended to gain time and leave open the possibility of a direct agreement.

DETROIT, Oct. 7.—(INS)—Automotive news today predicted United States automobile and truck production should reach the 5,300,000 mark this year, a total exceeded only by 1929 output.

The auto industry's trade paper based its predictions on the fact that "there appears to be no indication of any more serious interruptions . . . during the balance of the year."

West Pittsburgh Sodalists Meet

Holy Cross Sodality Plans Activities For Holy Rosary Month Of October

Sodalists of the Holy Cross sodality, West Pittsburgh, met Wednesday evening at 7:30 o'clock at the home of Mary Allegro, 14th street.

Prefect Agnes Zapplo opened with prayer and the different committees gave their reports. October is the month of the holy rosary, and plans were made for the sodalists to receive holy communion in a body on October 31 in

celebration of the Feast of Christ the King.

Rev. Fr. Sylvester Beck spoke on the sacrament of confirmation to be held at the church on October 12. He later closed with prayer.

An informal period followed, with Mary Allegro and Agnes Zapplo as hostesses, serving dainty refreshments. The hallows'en theme predominated and the table was nicely decorated.

November 3 is the next meeting with Carmela and Angeline Camerot, 14th street.

The corn snake is a harmless snake of southern United States. It is about two and one-half feet long, reddish brown with black-bordered brick-red blotches. It climbs easily and feeds on young birds and small rodents.

Highway Department Spares Old Relic

Famous House Built in 1648 By Thomas Putnam Will Be By-Passed By New Highway

DANVERS, Mass.—(INS)—The march of progress in Danvers is making a detour to preserve a 300-year-old house, a relic of colonial days.

The State Highway department is enlarging the Newburyport Turnpike, and the house—built in 1648 by Thomas Putnam—stands smack in the middle of the project. The Highway department already has ordered gas stations, stores,

and other houses moved to make room for new lanes.

In the case of the Putnam house, however, severance has won out over progress. The Highway department, rather than move the landmark, has decided to build a traffic circle around it.

Thomas Putnam, the original builder of the structure, got so sick of the hurly-burly of Salem in colonial days that he decided to bury himself in the country.

Sheltered Putnam Clan
The house since then has sheltered generation after generation of the Putnam clan. Revolutionary General Israel Putnam, famous for his part in the Battle of Bunker Hill, was born there.

The present owner, Mrs. Mabel Hood Emerson, has reared her seven children in the old house.

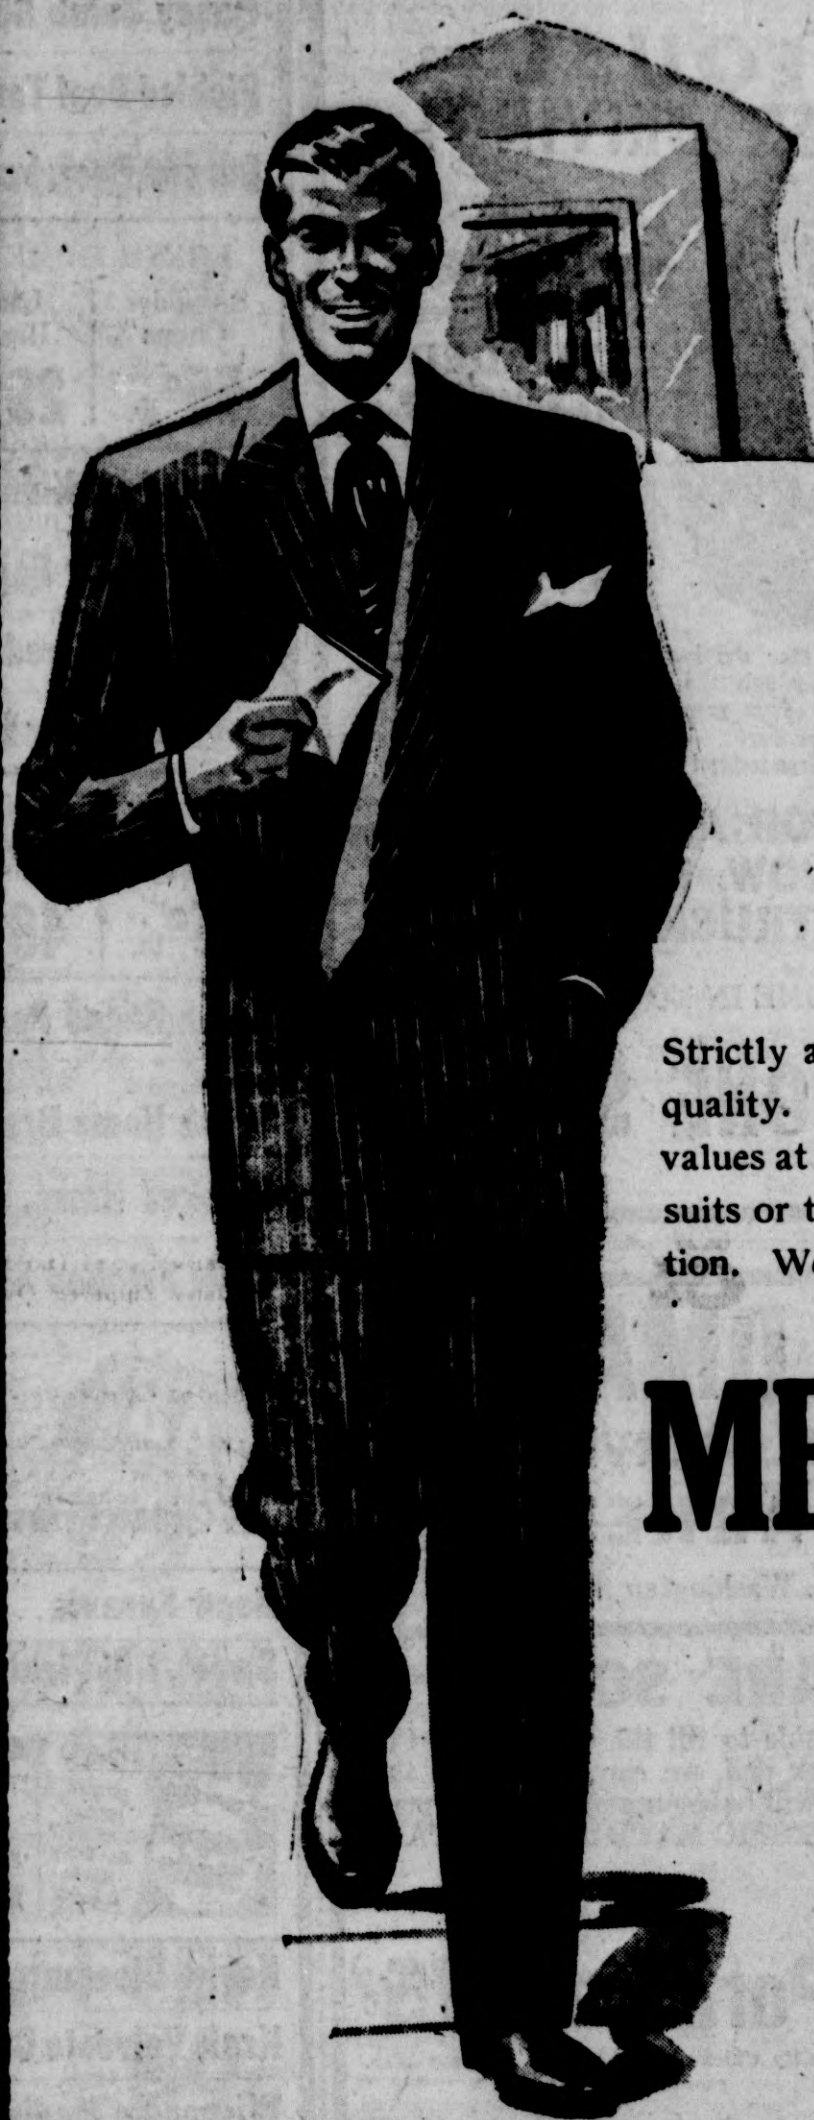

This fall, all the members of the family will come to Danvers to celebrate the 300th birthday of the house.

Progress, in the person of the State Highway department, will not leave the house entirely undisturbed, however.

Ten of the 20 acres in the remaining homestead will be bulldozed away. The remainder will be left intact.

Preserved in the cathedral at Ciudad Trujillo, formerly Santo Domingo, Dominican Republic, is a rough hewn mahogany cross inscribed: "This is the first sign planted in the center of this field to mark the beginning of this magnificent temple in the year 1614."

This inscription is the earliest record of the use of mahogany.

Epworth Church Pastor Welcomed

Rev. Albert C. Howe and Family
Guests of Honor at Church
Dinner Wednesday

To welcome their new pastor, Rev. Albert C. Howe, approximately 300 members of Epworth Methodist church and their families assembled in the church dining room Wednesday evening for a turkey dinner and program preceding an informal reception.

Dinner was served at 6:30 o'clock with the Epworth guild of the church, Mrs. Frank S. Sheffler, president, in charge.

Rev. Howe, who gave the dinner invocation, was extended an official welcome from the church by Howell Kelly, lay leader of the congregation. Mr. Kelly also introduced Mrs. Howe and son, Albert S. Howe, who were guests of honor at the dinner.

Rev. Howe spoke on "What Makes a Good Church?"

Per singing was led by Lawrence Hogue and a quartet of original greetings to the Howes was sung by Don Potter and Blair Alveston.

After brief remarks by Mr. Alveston, Mr. Potter presented the voluntary collection of local young men. With Mrs. M. Brown as accompanist they sang a group of spirituals, their original arrangement of "Behold the Bridegroom Cometh," and concluded with a group of three popular selections. Their program was well received by the group.

Everyone present was invited to share a partner through a unique number system and the gathering then greeted the guests of honor in a receiving line.

North Beaver Twp. Auxiliary Meets

Members of the North Beaver Township Volunteer Fire Department auxiliary were entertained at a Wednesday evening, in the home of Mrs. Marian Shaffer, of Mt. Jackson road.

Plans were made for an auction in the near future. Mrs. Mary Alice Craig gave a report on the proposed Christmas party. Mrs. Dorothy Kennedy was chosen chairman of hostesses, to the firemen at their next business meeting.

Cards were the pastime of the evening, prizes falling to Mrs. Wm. Pitzer, Mrs. Catherine McCord, Mrs. Mildred Snyder, Mrs. Margaret Hammond.

The hostess served a delicious lunch, in keeping with Halloween motif, assisted by Mrs. Edna Kildoe.

Next meeting will be Wednesday, November 3, with Mrs. Thelma Lamson, Mt. Jackson, as hostess.

With New Castle Afro-Americans

The pastor and congregation of the Union Baptist church will worship with the congregation of Mt. Gilead church, Cleveland, Ohio, on Sunday at 9 a.m. The service will leave the church at 11 a.m.

The senior choir meeting of the Second Baptist church, which was to have been Thursday evening, has been postponed for a week.

Parent-Teachers

Fulaski P. T. A.
Fulaski P. T. A. will meet Wednesday evening, Oct. 13, at 8 o'clock in the Fulaski grade school building. Mrs. Lloyd Goodge and Mrs. Arthur Venditti have announced that a very interesting program has been planned. The committee for the evening is Mrs. Adan Grell, Mrs. Fargh Taylor, Mrs. Henry Cox, Mrs. John Wherry and Mrs. Audrey Morgan.

REPORTS VANDALISM

Vandals are again causing trouble in the Albert-Norwood street section. Mrs. Fred Allen today reported vandals had torn out a section of an iron railing on the steps leading to her home. The railing had been placed there for safety. The matter has been reported to the police.

Recently sneak thieves stole 75 pounds of rails from a building under erection in the district.

Drive Slow—Children Move Fast.

BRINGING UP FATHER

Health Program At Westminster College

NEW WILMINGTON, Oct. 7.—Under Westminster college's expanded student health program tuberculosis tests are being administered this week by Dr. C. E. Phillips of the public health service at Harrisburg. About two-thirds of the 1200 students voluntarily submitted to the tests. Shown taking the test is Miss Juanita Sindel of Beechview, Pittsburgh, and awaiting her turn is Miss Gloria Stiffner of Williamsport, Pa. Assisting Dr. Phillips are Nurses Emma Dodds, left, and Doris Bailey of the college infirmary staff.

Shenango Firemen Conduct Drills

Representatives of the Shenango Township Volunteer Fire department visited the Shenango Township and Shenango-Taylor joint schools on Wednesday, where they conducted fire drills. Inspection for fire hazards were also made during the visit.

The teachers and pupils were commended for the orderly manner in which the buildings were emptied and the excellent time made. Some changes will be recommended to the township school board.

PERSONALS

Mr. and Mrs. John B. Heminger of the Butler road spent a week recently visiting relatives in Cleveland, O.

Mr. and Mrs. Harry E. Starner of Altoona have returned to their home after visiting the latter's mother, Mrs. Thomas Houston, Lyndal street.

W. Walter McGee, of 505 Erie avenue, who underwent an operation in the Jameson Memorial hospital, Wednesday morning, is getting along nicely.

Mr. and Mrs. Robert A. Duff and son, who left this fall for Miami, Fla., are enjoying the south, according to a message received by Mr. and Mrs. Leonard Kisthart, Park avenue.

Miss Helen Beck, East Washington street, and Mrs. Scott Munnell, Butler avenue, are representing Third U. P. church at the State Sabbath School convention in session at Williamsport.

Mr. and Mrs. Rocco P. Viggiano, Charles Viggiano and Miss Helen B. Venditti of New Castle are reported as having visited the Crystal Cave, natural wonder, near Kutztown, Pa., recently.

Mr. and Mrs. A. J. Heminger of South Bend, Ind., have concluded a several days visit with the former's brother, John B. Heminger of the Butler road. They have continued on to Baltimore, Md., where they plan to visit their daughter and son-in-law, Mr. and Mrs. Thomas Reese.

WALKOUT IS ENDED

SCRANTON, Pa., Oct. 7.—(INS)—Approximately 300 carmen employed in the Lackawanna Railroad's Keyser Valley shops today ended a four-day old walkout stemming from a jurisdictional dispute with sheetmetal workers.

Union leaders said the men agreed to iron out the dispute in conference and voted to continue work pending a settlement.

AUTO STRIKES STANDARD

Nash driven by John Zbehan of 130 Ralph avenue struck an electric street light standard and broke the globe on the East Washington street bridge this morning according to police.

Catholic Day Workers Feted

Banquet Tendered To County Committee At The Castleton Wednesday Evening

Workers on the Catholic Day committee, were feasted at a banquet Wednesday evening at The Castleton, with 125 being present on the occasion. The party was tendered to the workers for their cooperation and help during the first annual Catholic Day last August.

Cletus Martin, general chairman, presided after the 7 o'clock dinner, and introduced the master of ceremonies of the evening, Al Francis.

The principal speaker on the program was Rev. Fr. Patrick Rice, of the Duquesne University faculty, Pittsburgh, Pa. Father Rice spoke on the development of Catholic culture in the United States, and stated that the development has extended greatly in this day and age. "Catholic culture reflects on the entire Democratic country we have today," he said.

Honored guests in addition to Fr. Rice were: Rev. Fr. Francis McCarter, Rev. Fr. Francis King and Rev. Fr. Walter Karavackas. The entire county committee for Catholic Day were present.

States, and stated that the development has extended greatly in this day and age. "Catholic culture reflects on the entire Democratic country we have today," he said.

HARRISBURG, Oct. 7.—(INS)—Allocation of \$2,842,473 to Hollidaysburg state hospital for expansion of its bed capacity was announced today by Gov. James H. Duff.

He said the money, channeled to the department of property and supplies, will permit expansion of the present 370 beds to 1500.

HILLSBORO, Tex.—The Junior Chamber of Commerce meeting here waxed hot and cold in a sweltering 107-degree temperature with discussion of summer softball and promotion plans for the town's Christmas program.

National Guard Men May Receive Lieutenant Rank

Enlisted Men To Be Granted Appointments Under Temporary Waiver Under Conditions

HARRISBURG.—Enlisted men of the Pennsylvania National Guard may now be commissioned as officers without leaving home or taking time off from their civilian jobs, Brig. Gen. Frank A. Weber, State Adjutant General, announced today.

Previously, enlisted men could be commissioned only by attending regular courses at the Army Officer Candidate school, unless they were eligible for direct commissions through wartime service in the first three non-com grades (master or first sergeant, technical, and staff sergeant).

Second lieutenant appointments may now be granted under temporary waiver to enlisted men and warrant officers if they meet the following requirements:

1. Complete at least one year's service with the armed services or the National Guard.

2. Successfully complete the 10-series Army Extension Courses.

3. Receive recommendation by an examining board for appointment or commission with waiver. Until July 15, 1949, this opportunity will be open to men between 21 and 32, inclusive. After that date, the maximum age drops to 28.

Officers commissioned under the new system will be federally recognized by the National Guard Bureau with two-year waivers which must be retired if federal recognition is to be retained. Waivers may be retired when the officers satisfactorily complete a basic associate course of instruction at an appropriate service school, or pass a practical test given by a Senior Army Instructor and appear before a final examining board which recommends federal recognition without waiver.

Where no unit vacancies exist for second lieutenants, appointees may keep their enlisted grades and they will be granted certificates of eligibility by the Chief of the National Guard Bureau.

FOUR LOCAL BOYS ENROLL AT STERLING

Four local boys have enrolled at Sterling college, Sterling, Kan. for the first semester of '48-'49. They are Andrew Korby, who has enrolled in the senior class, and Robert Korby, enrolled in the freshman class, sons of Mr. and Mrs. John Korby; Edward Wilcox, enrolled in the freshman class, son of Mrs. James Wilcox, and Frank Tillia, also a member of the freshman class, son of Mr. and Mrs. Paul Tillia.

TAKING BLOOD TESTS

Dr. W. A. Womer, superintendent of city health, has begun taking blood tests of all employees serving food and beverages in the city. His office is on the third floor, city hall. Tests are made every morning except Sunday.

Catherine de Medici, queen of France, pioneered in the wearing of richly designed accessories such as rings and gloves.

'Miss Indiana, Jr.'

"MISS JUNIOR Indiana of 1948" is Fay Buter, Fort Wayne, winner in a state-wide contest and eligible to compete for "Junior Miss America" title at Pittsburgh, Pa., in December. Contest is sponsored by Pittsburgh Jaycees. The shapely 18-year-old is freshman at Indiana U. (International)

State Scenery Is Very Attractive

Thousands Of Out-Of-State Motorists Taking Advantage Of Beauty In State

HARRISBURG.—Early in the spring of this year the Department of Highways predicted that Pennsylvania would be a popular mecca for out-of-state tourists, judging from requests received in the Department's Publicity Bureau.

This was not an idle prediction because many of the tourists so thoroughly enjoyed Pennsylvania's fine highway system, scenic beauty and accommodations that they took time after returning home to report back to the Highway Department.

Many postal cards said, "thanks for the maps and assistance you offered for traveling through Pennsylvania," or "we enjoyed traveling through your beautiful state, thanks for the maps," or "your Tour Bulletins and touring guidance helped make our trip pleasant."

Two letters which were very impressive came from a New York resident and a native Pennsylvanian.

The New York letter said: "I just had to sit down and write a note of appreciation on your wonderful Roadside Rests. We enjoyed them so very much on our trip thru Pennsylvania last June. We wish other states would follow your splendid example. Thanking you for the many conveniences they provide, I am, Sincerely yours, Mrs. Elsa Brandenburg."

The Pennsylvanian, L. Richard Gorman of Wyomissing, said:

"After making a tour of the western states and doing a little driving around we have come to the conclusion that there are no better highways anywhere than there are in the State of Pennsylvania. I thought you might like to know this from someone who has just completed a tour of the west."

HFC has CASH when you need it

Here you can borrow \$20 to \$1000 on your signature, car or furniture without endorsers. Take 6, 12, 15 or more months to repay, depending on the purpose of your loan. Our charge is substantially below the lawful maximum on loans up to \$300.

Borrow For Any Good Purpose—Overdue bills, medical expenses, emergencies and other problems bring thousands of people to HFC every day. For money when you need it, come to Household.

Cash You Need	MONTHLY PAYMENT PLANS				
	24 payments	18 payments	12 payments	9 payments	6 payments
\$200	\$ 6.37	\$ 8.00	\$ 9.75	\$12.16	\$15.13
300	11.75	15.00	18.33	\$23.13	\$28.13
400	20.40	23.00	28.82	\$42.02	\$52.02
500	28.00	31.25	38.50	\$57.00	\$70.00
600	35.00	39.00	47.00	\$68.00	\$84.00

On loans of \$200 or less Household's charge is the monthly rate of 2 1/2% on that part of balance not exceeding \$100 and 7 1/2% on that part of a balance in excess of \$100. Charges on loans above \$200 are made under the Consumer Discount Company Act.

YES, all comparisons prove CHEVROLET GIVES MORE VALUE

More Value in Riding Comfort

You'll find that Chevrolet gives more riding smoothness, more riding steadiness, on any and all kinds of roads. That's true because it has the original Unitized Knee-Action Ride, proved and perfected by 14 years of experience in building Knee-Action units. Available only in Chevrolet and higher-priced cars!

More Value in All-round Safety

Chevrolet brings you the fourfold safety protection of Fisher Unitized Body-Construction, safety plate glass in all windows, the Unitized Knee-Action Ride and Positive-Action Hydraulic Brakes, and this is another combination of Big-Car features found elsewhere only in higher-priced cars!

It's first in all these basic motoring advantages . . .

FIRST IN
BIG-CAR QUALITY
at LOWEST PRICES

. . . just as it's first in
nationwide registrations!

More Value in Performance with Economy

There's nothing like Chevrolet's world's champion Valve-in-Head engine . . . with its record of having delivered more miles of satisfaction, to more owners, over a longer period, than any other power-plant built today . . . and Valve-in-Head design is exclusive to Chevrolet and higher-priced cars!

More Value in Beauty and Luxury

You know that there's only one leader in fine coachcraft—Body by Fisher! It's world-famous for true quality, beauty and luxury, not only in exterior design, but in important interior appointments such as hardware and upholstery, as well. And Body by Fisher, too, is exclusive to Chevrolet and higher-priced cars!

Pennsylvania Farmers Lead In Many Products

Because Pennsylvania ranks as the second greatest industrial commonwealth in the nation, few realize that it is also a highly important agricultural area. Its farm lands, surpassed in size by 31 other states, annually produce in such quantities as to rank Pennsylvania 14th in the value of all agricultural products.

According to the Federal Farm Census of 1945, Pennsylvania has 171,781 farms. They represent a capital investment of nearly \$1,500,000,000 in land, buildings, machinery and other equipment, the state department of agriculture says.

As of January 1, 1948, the value of crops, livestock and poultry on hand was estimated at about \$500,000,000, making a total valuation of almost two billion dollars. This is more than twice the capital invested in all mining and quarrying in the state and compares favorably with investments in the commonwealth's metal products industries, and with all other manufacturing industries in the state.

Income At Record
With expenses of farming reaching all-time high levels in 1947, cash farm income was also a record at \$797,172,000, according to Federal-State reports.

Pennsylvania can be proud

that their state stands at the top or near the top in production of a dozen or more farm and allied products. They can take satisfaction in knowing that Pennsylvania farmers regularly average more wheat per acre than those of Kansas, Oklahoma, South Dakota or any other mid-west wheat-belt state, Secretary of Agriculture Miles Horst declares.

In 1947 more corn, wheat, barley, rye, tobacco, hay and potatoes were grown per acre in Pennsylvania than the national average for those crops. Milk production in Pennsylvania is greater per cow and egg production per 100 layers is above the national average.

Pennsylvania 'Farm Firsts'
Pennsylvania ranks first among the states in the production of mushrooms, cigar leaf tobacco, buckwheat, spring and fall spinach, producer-retailed milk, and nursery-grown Christmas trees. This state produces more turkeys than any other east of the Mississippi river.

Pennsylvania stands first in the Nation in the number of farmer retail markets, the number of baby chick hatcheries, the value of crops grown under glass, and in the volume of apples state-graded for processing. In 1948 and 1949 it led all states in the yield

per acre of green peas for processing. Pennsylvania is first in the manufacture of ice cream, Philadelphia cream cheese, sausage, and scrapple. It has more carbonated beverage and soft drink plants than any other state.

Pennsylvania has the largest apple processing plant in the world (Biglerville), the largest grape juice plant in the world (North East), the largest package ice cream plant in the world (Harrisburg), and the largest state farm show, building in the world under one roof, in the capital city.

Pennsylvania was the first state to pass meat inspection laws and the first to establish livestock sanitary service. Today the state is a leader in control of tuberculosis and Bang disease in cattle. Pennsylvania food laws are recognized generally as among the best in the Nation. In many respects they are more exacting than the Federal Pure Food Laws.

Near Top In Milk And Eggs
Pennsylvania ranks second as a milk-consuming state. The 1945 U. S. Farm Census revealed there are about 41,000 dairy farms in the commonwealth. More than one-third of the state's agricultural income is from the sale of dairy products.

In 1947 Pennsylvania stood third among all the states in the amount of gross farm income from dairy products, third in value of farm butter sold, fifth in value of dairy cows, seventh in total milk production and ninth in the number of milk cows two years old and over. In the past 40 years total production of milk has increased 55 per cent an average production per cow has advanced 51 per cent. Cash income from dairying in 1947 was \$252,000,000.

Production of more than 3 billion eggs on Pennsylvania farms in 1947 advanced the state from fourth to third place in the United States in total output. The state advanced from third to second in the value of eggs produced and was fourth in the number and second in value of chickens on farms January 1, 1948.

Cash income from sale of chickens and eggs in 1947 was approximately \$166,000,000. Ten Pennsylvania counties are among the 100 highest chicken counties in the United States. In number and value of turkeys, this state ranked sixth in 1947, advancing from eighth in 1946.

Corn Is 'King Of Crops'
Pennsylvania in 1947 ranked third among all the states in production of maple sugar; fourth in apples, sour cherries, clover and timothy hay; fifth in maple sirup and grapes; seventh in potatoes and all tobacco; eighth in sweet cherries, all cherries and timothy seed, and tenth in peaches, honey, and all hay.

"King" of Pennsylvania crops is corn. The 1947 production of 57,460,000 bushels ranked the state 13th in the Nation and the value led all other crops in the commonwealth at close to \$141,000,000.

Hay is second in value at nearly \$84,000,000 followed in order by wheat, potatoes, oats, commercial truck crops, all tobacco, commercial apples, barley, peaches, buckwheat, grapes, cherries, soybeans, red clover seed, pears, rye, maple products, and timothy seed.

Leading in Pennsylvania livestock values are cattle and calves at \$268,476,000 as of January 1, 1948. Milk cows and heifers alone were valued at almost \$204,000,000. Chickens then were worth over \$42,000,000 followed in order by hogs, horses and colts, sheep and lambs, mules and turkeys.

Rev. John Barbee At Portersville Rally

PORTERSVILLE, Oct. 7.—Rev. John Barbee, evangelist for the Charles E. Fuller Foundation, Los Angeles, Calif., will be the special speaker Saturday evening, October 9, at the Portersville Youth for Christ Rally at 8 o'clock in the U.P. church of Portersville. Accompanying Rev. Barbee will be his wife, Mrs. Eunice Barbee who is a gifted soloist. Both are graduates of Bob Jones University. Walter Bauer will be in charge of the service.

POSTPONE MEETING
The regular meeting of the Chiefs club which was scheduled for this evening in the New Penn Hotel, has been postponed until next week.

At a depth of 7,500 feet into the earth, the temperature is 170 degrees Fahrenheit. The rate of rise is one degree Fahrenheit for each 55 or 60 feet of descent into the earth.

Cancer Society Has Display At Library

Many visitors to the Public Library are learning the seven key symptoms of cancer by turning the knob of a skillfully devised illuminated display on the main floor.

The sign is one of two currently being displayed in the city by the local chapter of the American Cancer society. Seven important questions used in cancer detection are on a series of large red question marks that may be rotated by the observer in less than a minute.

Last week the sign was in the lobby of the Penn theatre and aroused the interest of many of the theatre patrons so that they were anxious to pick up some of the Cancer society pamphlets that accompanied it. Next week the library sign moves to the county court house.

A series of metal discs bordered by the Cancer society's symbol ask similar questions to pedestrians that pass the society's office on North street. According to Mrs. Bertha Driggs, executive secretary, the signs have stimulated many questions which she is glad to answer at the chapter office.

During World War II, refinery use of natural gas rose from 143 billion cubic feet in 1941 to 338 billion cubic feet in 1945.

The razor-fish or razor-shell is a bivalve in which the shell is elongated and gapes at both ends. The foot is large and powerful and with it the bivalve burrows in sand, making vertical holes two or three feet deep, which it descends or ascends by means of its foot, which may be elongated and contracted to bore a passage for the creature and to drag it thru.

Major Issues For Congress Are Shaping Up

By FRANK E. ALLEN
(U. S. Staff Correspondent)

WASHINGTON, Oct. 7.—U. S. military aid to western Europe and inclusion of Franco Spain in the anti-Communist bloc shaped up today as major issues for the next Congress.

Those issues were brought squarely into the agenda of the next Congress by Sen. Gurney (R-S.D.), chairman of the Armed Services committee.

Behind Proposals

Gurney said he stands "absolutely" behind proposals for military aid to western Europe, and for "getting together" with Generalissimo Franco.

The senator is preparing an extensive report to this committee on the conditions he observed in a tour of 18 countries. He is expected to emphasize the need of a solid front of non-Communist countries against Russia.

Back home from his trip, Gurney declared that economic aid to Europe "is not quite enough." He said:

"First we got in on a political basis, and then bolstered our program with economic aid. 'We are in a position now in which economic aid is not quite enough. It cannot be guaranteed without military support.'"

Would Bring Spain In

Gurney said he "certainly would" bring Spain into a western European pact receiving U. S. military aid because "they are on our side and because Spain 'has been fighting communism since 1898.'"

Gurney, who conferred with Franco, termed the Spanish chief "a man who knows what he is doing."

Gurney declared that Spain can be recognized regardless of being a dictatorship because "it's not up to us to tell other peoples what kind of government they should have."

The senator said he already has laid his views before Secretary of State Marshall, and will give them to Defense Secretary Forrestal.

Gurney left no doubt that he will use his influence as a powerful committee chairman to get action in Congress next year. He said:

"We could well cut down our economic aid in favor of military aid."

Not All Fat
Men Jovial

PHILADELPHIA, Oct. 7.—(INS)—The fat man's reputation for jollity was debunked today.

Dr. Herbert T. Kelly, dietary and nutritional specialist, told the Pennsylvania State Medical society's centennial convention that generally the fat man is merely hiding emotional stress behind his obesity.

Construction For Month Of August Totals \$35,152,808

HARRISBURG, Oct. 7.—(INS)—Latest building reports today showed \$35,152,808 worth of construction was undertaken in Pennsylvania during August, half of it devoted to housing.

The department of labor and industry, which released the reports, said permits were issued for 1603 dwellings to accommodate 1918 families during the month. The projects were evaluated at \$17,250,768. Figures came from 346 municipalities.

Value Increases

The number of permits issued decreased 13.8 per cent from July, but the dollar value of home building increased 7.5 per cent, according to the department.

The cost of commercial, industrial and public buildings, for which 646 permits were issued was pegged at \$11,709,577.

The balance of expenditures amounted to \$5,886,313 and was devoted to improvements and additions to existing buildings, the department said.

Telephone Operator Saves Two Lives

WASHINGTON, Oct. 7.—(INS)—Mrs. Zoe Hule, 52, and her husband, Byron, 67, are alive in a nearby Maryland hospital today because of the quick thinking and action of a telephone operator.

Antonette Capone was calmly at work on a Silver Spring, Md., switchboard when a woman's voice moaned over the wires: "Something horrible has happened. My husband . . . collapsed . . . I fell, coming to the phone . . ."

Calls Rescue Squad

The 23-year-old operator quickly demanded the woman's telephone number and hastily connected the call with the Silver Spring rescue squad. But then came an ominous sound of the telephone falling to the floor.

Miss Capone and her supervisor traced the address of the phone number and directed the rescue squad to the Hule home where the two government workers were found overcome by coal gas.

The young operator said: "Really, I didn't do anything much."

Around Hollywood

By RUTH BRIGMAN
International News Service Staff Correspondent

HOLLYWOOD, Oct. 7.—There's a hot rumor that Bill Elythe won't open with "Lend an Ear" on Broadway.

The young actor-turned-director, who directed the Los Angeles musical, adds nothing to the delightfully refreshing musical show as a member of the cast. He did an excellent job of directing.

Nothing Like It

There's just a chance that the California show may be one of Broadway's few musical survivors this season, with a little tightening up. Certainly there's been nothing like it lately.

"Lend an Ear," which opens there next month, has no axes to grind. It just seeks to entertain. And, with wonderful comedienne discovery Anne Anderson, it does that.

Hildegard In Demand

Hildegard Neff, the German actress brought over by Selznick in demand, Humphrey Bogart wants her for his "Tokyo Joe." To play a White Russian, which she'd do beautifully, and especially with that throaty voice. MGM wants the tall blonde for "Vespers in Vienna" and an assignment for "The Third Man," to be produced in Vienna is still hanging fire.

Boy Has It

Before he left for Europe, Bob Hutton took his two small stepsons, Kenneth and Corey, to the circus. They sat with a group of other movie stars and their sons. Met Frank Sinatra and Bing Crosby. Saw the lions and other wild animals. Were amazed by nothing—until they spotted Roy Rogers in the crowd.

Then, said Bob, they did a double take and let out a whoop. How that Rogers attracts the kids.

Have About Ann

You should hear the boys rave about Ann Blythe. The young actress gets the kazo from them all. Roddy McDowell says she's the "most fun" of any girl in Hollywood.

Young Johnny Sands is ever indebted to Shirley Temple. Says he did his first movie test with her—and she gave him all the help in the world. Shirley's really a top-notch.

A Man's Stomach

Rory Calhoun says his bride, Isabelita, his idea of a real glamour girl—but that it was her cooking that got him! She used to have those little suppers-for-two in her apartment, while the other glam-

SUPPLY LIMITED! This special offer good only as long as dealers' stocks last!

FAB with SUPER-WETTING ACTION
washes everything
FASTER, CLEANER, WHITER, BRIGHTER
than any soap... in hardest water!

New scientific washing preparation is a fabulous work saver for dirtiest overalls, work clothes, children's clothes, towels, shirts... everything that's extra dirty!

FAB with Super-Wetting Action makes rich, lasting suds in hardest water! FAB washes even grimeiest overalls FASTER, CLEANER, EASIER than any soap! No soap suds to "gray" white wash. Wash is whiter, cleaner. When you wash, FAB with Super-Wetting Action instantly penetrates materials; pushes out dirt!

FAB contains a fabulous new ingredient that gets white wash whiter, colors brighter. And FAB with Super-Wetting Action removes suds left by soap washing... leaves no dulling soap scum of its own!

FAB washes DIRTIES TWICE AS FAST as soap! Dishes and glassware gleam without wiping! FAB WASHES CHEAPER... IN HARDEST WATER! Laboratory tests prove that cup for cup, in hard water, FAB washes up to twice as much family wash as soap.

commission had to reject applications of 190 other exhibitors, he added.

At least 27 state wide agricultural organizations will participate in the event which will be highlighted by sales of steers and lambs.

In 1936 the number of divorces in the U. S. was 31,735. In 1937 the total was 250,000.

HARRISBURG — According to latest information available to the Pennsylvania Department of Agriculture, Erie county has more grapes harvested on farms than any other Pennsylvania county. Allegheny is second and Beaver third in the state. Erie ranks 14th among all counties of the United States and second outside of California.

Farm Labor Census Shows Little Change

HARRISBURG.—Little or no change in the number of family and hired workers on Pennsylvania farms this September 1 compared with last year is reported by the State Department of Agriculture following Federal State surveys.

Nationally, about 3,000,000 persons were doing hired farm work on September 1, the largest number for that date since 1943.

Pennsylvania farm operators were putting in a little less time per day on September 1 than a year earlier, and hired hands were working just a little longer, the survey revealed.

Operators on the first of the month were working an average of 12.1 hours per day compared with 12.4 on the same date in 1947 and 1946. Hired workers this September 1 averaged a straight 10 hours per day compared with 9.5 a year earlier and 10.3 hours per day on September 1, 1946.

Free School System For Pennsylvania Is Again Upheld

State Department Of Public Instruction In Dispute With Federal Government

HARRISBURG, Oct. 7.—(INS)—The free schools assured Pennsylvania more than a century ago by Thaddeus Stevens were upheld today by the State Department of Public Instruction in a dispute with the Federal government.

In essence, the department said State Justice officials had advised that payment of special tuition by parents of 18 children living in a Federal war housing project near Middletown was not a prerequisite to school attendance.

The Free School Law was adopted by the State Legislature in the middle of the last century.

Government Not Responsible

The army, which supervises the

project, said the children's parents no longer were on a government payroll and therefore the government was not responsible for the special tuition demanded by the Middletown Borough School District.

Officials of the school district dunned the parents with little success. They reside on the Pineford Acres project near the Army Air Forces depot at Olmsted Field.

Superintendent of Public Instruction Francis B. Hass informed G. W. Fesser, Middletown school superintendent, that the General Assembly had not ceded jurisdiction over the property to the Federal government and that it remained within borough boundaries.

Letter Issued

A letter to Fesser stated: "In substance, the Department of Justice, has advised us that the admission to free public schools

is not dependent on the payment of taxes and the mere acquisition of title by the United States government is not sufficient to exclude either the state or local municipality from exercising any jurisdiction over the territory.

"We are advised that the jurisdiction of the Middletown School District over the territory known as Pineford Acres still exists at the present time and that, therefore, the children whose parents reside in that territory are entitled to be enrolled in public schools without the payment of tuition."

SPRINGFIELD, O.—The old lamplighter will soon be out of a job here as this city becomes one of the last in the state to trade its old gaslights for electric ones. Officials estimate the new lights will save the taxpayers at least \$6000 a year. The present 349 gas lights will be replaced by 500 electric ones.

John A. McGrath To Head Kiwanis

Election Results Are Given At Meeting In The Castle-ton Wednesday

ASSISTANT FIRE CHIEF IS SPEAKER

Results of the annual election of New Castle Kiwanis club were made known at Wednesday noon's luncheon meeting in The Castle-ton with John A. McGrath being chosen as president for the coming year. He will take office in January, succeeding Thomas G. Allen.

Other officers elected were: vice presidents, A. Kenneth Hemer and John R. Hodge; treasurer, R. L. Meerman; directors for three-year term, M. Dale Andrews, Louis R. Berkheimer and Joseph A. Hartman.

New members were inducted under the auspices of the education committee, of which A. Kenneth Hemer is chairman, John R. Hodge presenting Irving Robins; Joseph Hartman presenting Ed G. Oriel, and Secretary C. Mantz presenting Henry E. Friedman.

It was also announced that at the district caucus recently held at Milwood City, L. C. Mantz, who has been secretary of the local Kiwanis club since its organization, was nominated for lieutenant governor for the coming year.

Assistant Fire Chief William Bowen addressed the club on the need for fire prevention, in connection with Fire Prevention Week, telling the club members that the fire loss in the United States was over \$200,000,000 last year, practically two million dollars per day, and that 10,000 persons lost their lives as a result of fires, the greatest per cent of which could have been avoided.

New Castle's fire loss last year, he stated, was \$65,000, of which it is estimated 43 per cent could have been averted.

Mr. Bowen was accompanied by Fire Inspector Frank E. Sargent, who showed an excellent film on fire hazards, and the easy manner with which fires can start when proper precautions are not taken.

Woman In Morgue Is Identified As Former Actress

One-Time Glamour Girl Of Broadway Dies Unknown In Hollywood

HOLLYWOOD, Oct. 7.—(INS)—The piteous, familiar story of the glamorous actress who danced gaily through the flowertime of her life—only to die destitute in a cheap hotel room—was re-told Wednesday with the identification in the morgue of "Jane Doe, No. 37."

The Los Angeles Examiner said that a woman whose nude body was found in a Hollywood hotel room early Monday was identified as Gladys Gale Lamphere, one-time Broadway actress and the former wife of Park Benjamin, Manhattan millionaire.

A welfare agency case worker, to whom Mrs. Benjamin had come for aid, identified the body after it had lain in the morgue as "Jane Doe, No. 37" for nearly two days.

The setting for the former Broadway flower's last moments of life was bizarre and ugly. Hotel employees said she had shared the fourth-floor room with a man for several hours. A bellboy who noticed the door to the room ajar found the body.

Obsequies were scrawled on the walls of the room. The upholstery and plaster had been ripped with a knife. The man, listed on the register as J. Statler, San Francisco, had vanished.

There were no indications the woman had met death through violence. There were no marks on her body to indicate the cause of death, and a chemical analysis was ordered.

Drifted Into Obscurity
The dead woman, as Mrs. Benjamin, was the sister-in-law of Mrs.

Enrico Caruso, widow of the famed opera tenor. In 1927 she shocked staid Manhattan society by becoming a nightclub hostess. As such she sang in the blue room of the Beaux Arts building, a plush prohibition era speakeasy.

Later she sang at the old Hippodrome and appeared in such musical productions as "Lamie" and "Sweetheart Time." Then she came to Hollywood and appeared as a singer in Mae West's "Klondike Fannie." But then she drifted into obscurity, obtaining a divorce from Benjamin in 1940.

Benjamin is now remarried to his first wife, Catherine Doremus, member of a Wall Street banking family.

ARMS BROKEN
MT. CARMEL, Ill.—Chasing a cat from a flower bed, Mrs. Buren Ramsey of nearby Simpson fell and broke her arm. Her mother, Mrs. James By, arrived to help with the laundry, fell on a wet floor—and broke her arm.

Only one-sixth of Italy's land is unproductive.

BACKACHE, LEG PAINS MAY BE DANGER SIGN
Of Tired Kidneys
If backache and leg pains persist, you may have a kidney trouble. Don't just complain and do nothing about them. Nature may be warning you that your kidneys need attention.

The kidneys are Nature's chief organs of filtering poisons, removing waste from the blood. These poisons may start nagging headaches, rheumatic pains, leg pains, loss of sleep and energy, getting up at night, swelling, pain under the eyes, backaches and dizziness. Prevention is easy—keep your kidneys in good shape by taking your dose of Doan's Backache Kidney Pills, a standard remedy, used successfully by millions for over 50 years. Doan's gives relief and will keep the 15 of the 16 of the blood. Get Doan's Pills.

Health Talks

By DR. W. A. WOMER
City Health Superintendent

BUTTERLESS MILK
Sometimes things are given names which do not seem very appropriate.

We take all of the butter out of milk and then call it buttermilk. It is a valuable food even if the butter or fat is lacking. It has most all the other good things of the milk. It is a good form of food for

those who tend to be too fat. It provides protein and minerals and other things without adding to the over supply of fat.

Buttermilk and cheese and ice cream and other milk products provide almost all of the materials needed for nourishment of the body.

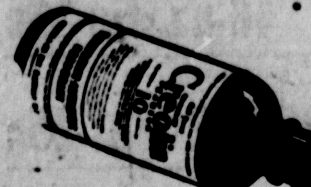

PEACHES

HARRISBURG—In the production of peaches on farms in Pennsylvania, Franklin county leads all others in the state, with Adams second, York third and Berks fourth, the State Department of Agriculture reports. In the United States as a whole, Franklin ranks 19th among all counties.

To Send Box Of Clothing
To Ezel, Ky., Mission

Members of the Women's Missionary society of Mt. Jackson U.P. church gathered on Wednesday for an all-day meeting in the home of Mrs. Alice Reed, Mt. Jackson road. Devotions were led by Mrs. Charles Wallace.

A nice lunch was served at noon by the hostess, assisted by Mrs. Sophie Salter, with invocation by Mrs. William Chambers. Foreign missions, Sudan and Ethiopia was the topic of the afternoon. Mrs. Harlan Wilson was leader, others of the group joining in the discussion. Plans were made for the thank offering in November.

Next meeting of the society is scheduled for Wednesday, November 3, when a box of clothing will be packed and sent to the Ezel Mission in Kentucky.

Berean Class Meets At Bumbaugh Home

At the home of Mrs. J. B. Bumbaugh of 418 Sixth street, members of the Berean Bible class of the Madison Avenue Christian church were entertained on Tuesday evening. Mrs. I. D. Wagner

Methodist Women At W.S.C.S. Conference

Mrs. Q. E. Davy of the Harbor, and Mrs. O. C. Mauck of Hillcrest avenue, representing Mahoning Methodist church, have returned from Franklin where they attended the district conference of the W.S.C.S. in First Methodist church on Wednesday from 9:30 to 4 p.m.

Mrs. Roy Blider, secretary of Spiritual Life, Pulaski, led devotions, and Mrs. F. W. Anderson, Franklin W.S.C.S. president, gave the address of welcome.

Business session was in charge of Mrs. R. A. Grandy of Sharpsville, district president. Mrs. Carroll Cross of Bruin gave an interesting resume of the School of Missions at Chautauque, N. Y. in August. Mrs. A. Wayne Jones, Franklin, gave a vocal solo. Mrs. Clyde Dunkerly, promotion secretary, Mercer, spoke on organizational changes. Mrs. Q. E. Davy gave treasurer's report.

In the afternoon, two returned missionaries gave interesting talks. Miss Marian Darby of Montevideo, Uruguay, S.A., and Miss Elsie Ross of India.

Youth Fellowship Meets This Evening

Don Sturgis, president of Youth Fellowship group of Mahoning Methodist church, announces that the group will gather this evening at 8 in the ladies' parlor for a business session, after which they will adjourn to the dining room for recreation and a social period.

Reports to date show the intermediates are ahead of the senior group, in the attendance contest, which includes church attendance.

Social Cousins Have Anniversary Dinner

On Wednesday evening, members of the Social Cousins club assembled in a local restaurant for their anniversary dinner.

Various games and dancing were the diversion of the evening. Next meeting of the group will have Mrs. Louise Cassella, 115 Lacock street, as hostess on Wednesday, October 27.

SEVENTH WARD NOTES

Lester Brumbaugh of West Madison avenue, has left for Canada for a hunting and fishing trip in the vicinity of Buckingham.

Instead of Wednesday evening, as formerly announced, the Loyal Workers class of Madison Christian church, meets this evening, with Mrs. Russell McConnell.

It is announced that the Mabel Wilson lodge meeting, scheduled for October 12, has been postponed until Tuesday, October 26, in the lodge room, account Columbus Day celebration.

Snow Removal Will Cost State About Six Million Dollars

Approximately 1831 Miles Of Highway Will Be Cleared In District One Of Area

HARRISBURG—The Pennsylvania Department of Highways is busy preparing its program for the 1948-49 snow removal season which is estimated to cost approximately \$6,000,000.

This year's snow removal program covers complete snow removal service on 20,400 miles of the 40,893-mile state highway system. Snow removal and clearing are undertaken on the programmed roads first. After work is completed on these roads the equipment is assigned to the balance of the 40,893 miles of non-programmed roads.

This year's equipment totaling 4,172 pieces of department owned machinery includes 1,362 trucks, 70 tractors, 161 power graders and 2,579 snow plows. A part of the snow plows will be mounted on department owned equipment and approximately 1000 trucks which will be rented for the season.

Beginning September 1, the department of Highways, started overhauling its equipment for the winter season. Every truck and tractor will be completely checked and placed in first-class condition.

On November 1, the department will start erecting 28,000,000 feet of snow fence. This year 2,000,000 additional feet of snow fence has been purchased to replace wornout fence. Snow fence is placed at locations along the entire 40,893 miles of the state highway system where past experience has shown drifting conditions are liable to occur.

Department maintenance forces have already started stocking cinders at advantageous locations along the highways. Approximately 600,000 tons of cinders will be stocked to be used as anti-skid material for icy pavements.

Last year the department experimented with the use of radio in connection with snow removal in Erie and Cambria counties. This year installations will be made in the following 16 additional counties: Lackawanna, Luzerne, Pike, Wayne, Susquehanna, Wyoming, Bradford, Mercer, Venango, Crawford, Warren, Fayette, Washington, Somerset, Westmoreland and Bedford.

The mileage on the snow removal program by engineering districts follows:

District 1, Franklin, 1831 miles; District 2, Clearfield, 1905 miles; District 3, Williamsport, 1721 miles; District 4, Scranton, 1957 miles; District 5, Allentown, 1650 miles; District 6, Ardmore, 1350 miles; District 8, Harrisburg, 3050 miles; District 9, Hollidaysburg, 1832 miles; District 10, Indiana, 1447 miles; District 11, Pittsburgh, 1807 miles; District 12, Uniontown, 1546 miles.

Groundhogs Not Legal Game During October

HARRISBURG—President Ross L. Heffer of the Pennsylvania Game commission today reminded hunters and sportsmen of the state that it is unlawful to hunt woodchucks (groundhogs) during the entire month of October, 1948.

Leffler said "September 30 was the last day for hunting woodchucks until November 1 when they may again be hunted to and including November 27, but not thereafter this year."

In announcing the legal season during the calendar year 1949, which is from July 1 to September 30, 1949, Mr. Leffler said: "It is not legal to hunt woodchucks after November 27, 1948, until July 1, 1949, which is an important change in the open season for next year."

Find Employment For 24,000 In August

New Monthly Placement Record Set By State Employment Bureau For Year

HARRISBURG—Local offices of the Pennsylvania State Employment Service found jobs for almost 24,000 persons in August to set a new monthly placement record for this year. A. J. Caruso, executive director of the Bureau of Employment and Unemployment Compensation announced today.

The 23,700 job placements registered during August represented a 22 per cent gain over the previous month, and were 18 per cent higher than the figure for the corresponding month last year. Caruso reported. They brought the total number of men and women placed in jobs by the PSES this year to approximately 163,500.

Included in the August placement total were 8,100 veterans. This was an increase of about 20 per cent over the preceding month, and brought total veteran job placements by the state agency this year to nearly 67,000 Caruso said.

ALPHONSE and GASTON

Get a DU PONT ANTI-FREEZE today!

Why it's wise to have
your serviceman inspect
the cooling system before
putting in anti-freeze.

You buy anti-freeze to protect your motor from a freeze-up and to help it run more efficiently by keeping the cooling system free from rust. If anti-freeze leaks out, what have you got? NO protection... maybe a ruined engine block. Heavy expense, your car laid up. (And you've lost your anti-freeze.)

So, before installing anti-freeze, have the cooling system gone over. No repairs may be needed—but even a simple inspection is worth what it may cost. Here's what a cooling system inspection should include:

1. INSPECT RADIATOR—If it's rust-clogged, it should be drained and cleaned. (Du Pont Cooling System Cleaner is one of the best for the job.)

2. CHECK FOR LEAKS—Radiator hose, clamps, pump, and cylinder head bolts should be tight. Your serviceman has tools and know-how to make repairs.

3. CHECK FAN, BELT AND HEATER—Slipping belts should be adjusted—replaced if worn. Heater hoses should drain properly and not trap air.

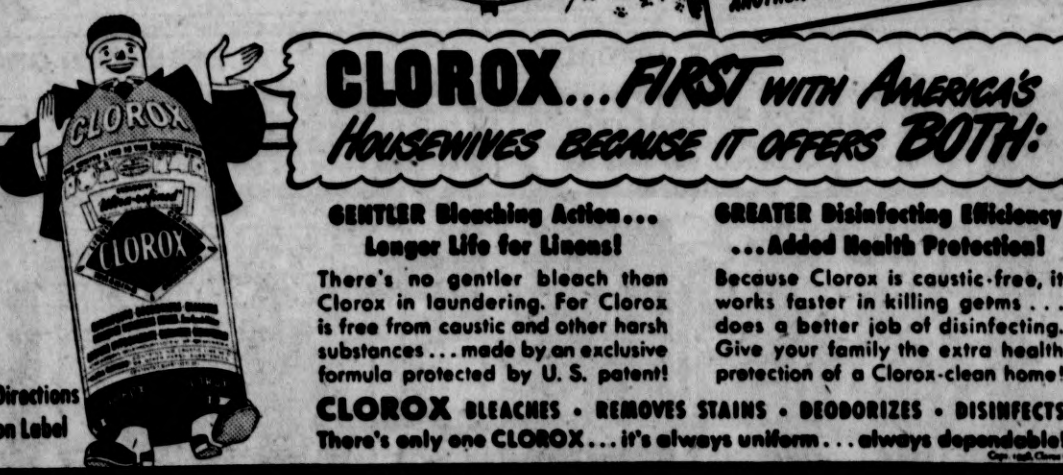

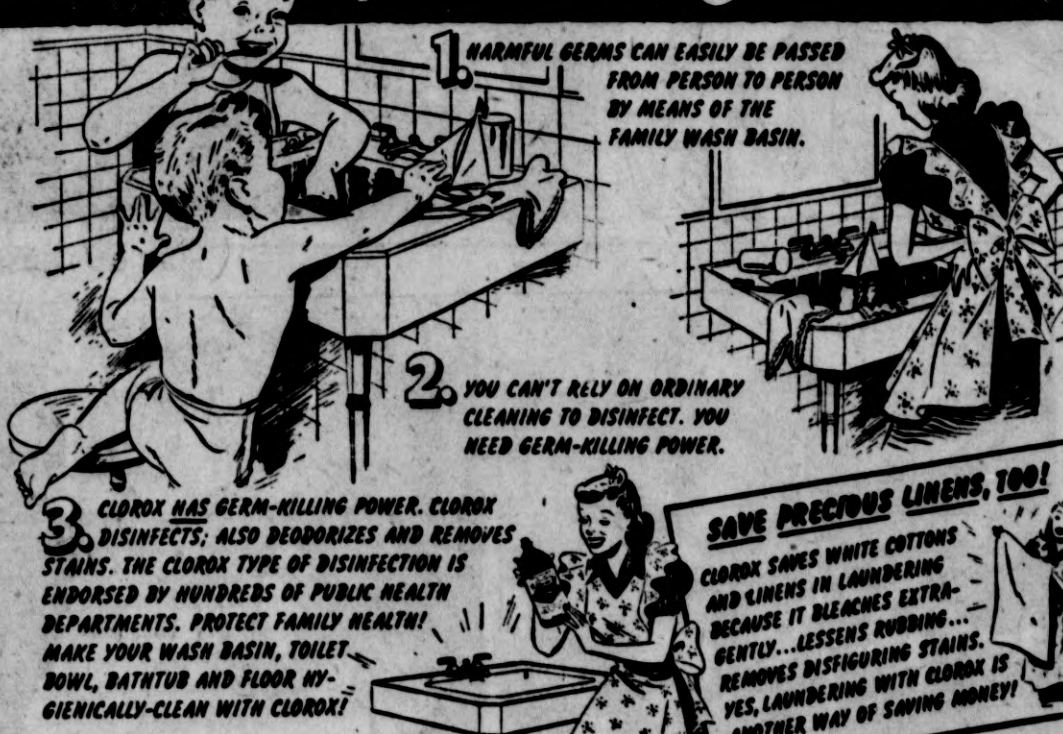

4. PUT IN ANTI-FREEZE—A "Zerex" "Zerex" chart shows amount needed. Radiator tag identifies anti-freeze, warns against draining. "See U.S. Pat. 2,400,000."

BETTER THINGS FOR BETTER LIVING...THROUGH CHEMISTRY

Is your wash basin a "transfer point" for germs?

CLOROX...FIRST WITH AMERICA'S HOUSEWIVES BECAUSE IT OFFERS BOTH:

GENTLER Bleaching Action...
Longer Life for Linens!
There's no gentler bleach than Clorox in laundering. For Clorox is free from caustic and other harsh substances...made by an exclusive formula protected by U. S. patent!

GREATER Disinfecting Efficiency...
...Added Health Protection!
Because Clorox is caustic-free, it works faster in killing germs...does a better job of disinfecting. Give your family the extra health protection of a Clorox-clean home!

CLOROX BLEACHES - REMOVES STAINS - DEODORIZES - DISINFECTS
There's only one CLOROX...it's always uniform...always dependable!

Save time, money, effort with BOON...the only one that cleans and shines...made by the makers of Clorox. BOON is a new way to do a better job of cleaning.

Jubilant Braves Ready For Second Series Joust Today

Downcast Indians Banking On Lemon, Sain Winner 1 To 0

By DAVIS J. WALSH
 (International News Service Sports Writer)
 BOSTON, Oct. 7.—The sometimes patrician air hereabouts was suddenly tonic today with reborn hope as the disconcerting Braves and deflated Indians resolutely made ready in the immemorial manner for a second onslaught of the 1948 world series.

No longer a butt of sundry gibe and ribald quip, the still slightly quaint Bostonians were being viewed with a mingling of alarm and admiration they'd seldom, if ever, affected to justify.

But naturally that was before they went out there yesterday in the series premiere, looked Bob Feller "spank" in the eye and wound up winning a 1-0 thriller, with Johnny Sain the winner.

Picture Changes
 This hurriedly did things to the world series situation—immediate, dramatic, almost revolutionary things.

It dredged up from the all but forgotten debris of a distant past the possibility that a deadly parallel was in the making; that the sage of the 1914 Braves against the Athletics might yet come about in modern setting and guise.

They had been cut-rated at 3½ to 1; now they were no worse than even money and, in some cases, were being favored at 5-4. The idea there was that anything Johnny Sain said to the Ohio power-gang yesterday stood a good, roundhouse chance of being repeated by Warren Spahn today.

However, the only advance concession Cleveland was making was to lessen the impact of his left-handed technique.

In consequence, the right-handed Allie Clark was to move off the bench and into the No. 3 spot; the left-handed Larry Doby was to drop from second to sixth, and the left-handed Walt Judnich was to drop without destination, meaning out.

Meanwhile, Cleveland Manager Lou Boudreau was committed to Bob Lemon at his second game pitcher, meaning the Braves will be back with the same lineup which stunk, save with Feller there seven innings of his best one-hit pitching, then beat him in the eighth with their second and last hit, Tommy Holmes' nice single late left.

In the end, it was something of a spot point as to whether Feller's two-hitter was superior to Sain's four. However, as the guy said ironically when asked about the relative abilities of Lou and Grant, they paid off on Grant.

With Feller's total
 Feller opened the final eighth by walking Phil Masi. And as the season's last pitcher, Feller's complete record afterward, "every time I walk a man in a close ball game I get beat."

Phil Masi was put in as a pinch-runner for his fellow backstop.

Masi Scoring Run That Beat Feller, 1 to 0

Boston—Pinch-runner Phil Masi, Braves reserve catcher, scoring the only run in the eighth inning of the first world series game, Wednesday at Braves field as the Boston team defeated the Cleveland Indians 1 to 0. Braves shortstop Alvin Dark (2) is standing by, also shown in the picture is Umpire George Barr. It was a single to left by Tommy Holmes that scored Masi from second.

Sala May Get Bout With Marcel Cerdan

Would Bring New French Middleweight Title Holder To Pittsburgh For Bout

PITTSBURGH, Oct. 7.—(INS)—Peter J. (Bunny) Buntag, manager of middleweight contender Lee Sala, said today that there is a "strong possibility" his fighter may meet Marcel Cerdan next summer.

Sala, whose record for 42 wins without a defeat, 42 by knockouts, is unparalleled in boxing today, is being sought for important bouts by both the 20th Century Sporting club and the rival Tournament of Champions.

The Donora dynamite will meet Benken Jones in New York next Friday night for the 20th Century and may face Tony Janaro for the TOC next month in Jersey City.

The TOC has an option on Cerdan's first title defense, and a Cerdan-Sala match in Pittsburgh would be a tremendous draw.

Lou Boudreau is the second player-manager to appear in a world series. Gabby Hartnett led the Chicago Cubs against the New York Yankees in 1933 and his team lost four straight.

Lt. Stan Stress, former Villanova griddier who was graduated in 1911, is trying his hand at coaching this season. He is going to tutor the Philadelphia Naval Base team.

Facts, Figures On World Series (By International News Service) Second game of the world series:

Boston (National league) leads Cleveland (American league) one game to none. Second game will be played in Boston today.

Place and time—At Braves field, Boston, 1 p. m. (EST). Probable attendance—40,000.

Probable pitchers—Cleveland, Bob Lemon; Boston, Warren Spahn.

Remaining games—At Cleveland, Friday and Saturday; Sunday if necessary. At Boston, Monday and Tuesday, if necessary.

Fiscal figures on the first world series game: Attendance, 40,135. Receipts, \$180,125.22.

Players share, \$91,862.32. Commissioner's share, \$27,018.32. Clubs and leagues' share, \$61,244.58.

Harry Sees Joe Get Big Ovation CAMDEN, N. J., Oct. 7.—(INS)—President Truman had competition for popularity when he visited Camden yesterday afternoon.

Camden's Jersey Joe Walcott, the heavyweight boxer, was given a tremendous ovation when he was introduced from the platform with Mr. Truman.

Later, 500 youngsters broke through police lines and swarmed about Walcott.

County Gridders Face Busy Weekend Schedule

New Castle Meets Har-Brack; Ellwood Battles Sharon; Bessemer Clashes With Darlington; Shenango and Union Meet Foes Away, As Do Junior Highs.

This week-end promises to be a full one for followers of all Lawrence county school grid teams. Three home games highlight a seven-game schedule that features some very important contests.

New Castle meets some of the toughest opposition to date when they face a heavy Har-Brack eleven under the Taggart stadium lights at 8 o'clock Friday night.

At Lincoln field in Ellwood City the Wolverines play host to a winless Sharon Tiger in another Friday clash. The Dutch Croft gridsters have lost two close games on successive week-ends and will be out to win this double A contest starting at 8 o'clock. Sharon suffered its fourth straight loss, a 47-0 defeat by New Castle last week, but Coach Cy James has been working hard with his boys and may find the right combination for a successful Ellwood invasion.

Bessemer Plays Darlington Tonight at 8, the undefeated Bessemer Cementers will be seeking revenge against a big Darlington squad that crumbled the Clemons machine 18-0 in an upset win at Darlington last year.

Darlington's line is led by three veterans. Young, a 180-pound tackle, Madden and McConnell, who played important roles in last year's victory and will be out for a repeat performance. Coach Shadle will have Casey at the left half-back post where he can team with Gotthardt again. This combination was good for several passes and a touchdown against the "Cementers" last year. Cook, the 1947 quarterback, has been shifted to full this season to add more power to the Darlington running attack. Bessemer played one of its best games of the season last week by trouncing Union 34 to 0. However, Henry Pessuolo and Francis Schaville have been out of practice all week nursing injuries sustained in the Union triumph. Both of these key backs will dress for the Darlington game but Chuck Stanley is a probable starter at left halfback in place of Schaville. Avery Pessuolo, sub fullback, has been sidelined for the season by a bad leg bruise. Coaches Ciccone and Galaspey have shifted Don Tanner from halfback to fullback to provide reserve strength at this position.

Union High invades Zellenople Friday night in another class B contest. The Scotlites will be meeting tough opposition as Zellenople is one of the best class B teams and has a strong backfield in Thomas, Kline, McCandless and Soltesz. Union suffered one of its worst defeats at the hands of Bessemer last week and will be seeking its second win. Coach Chuck James will match his ace backs, Glenn Hedrick, Fritz, Callahan and Tony Conti against a powerful Zellenople line in order to get back on the victory trail.

On the Junior high front, Washington and Franklin both play away in Junior WPAL contests this afternoon. The Washington "Tigers" will be seeking their second win against Sharon Junior High. The Franklin "Patriots" will invade Ellwood City for their first formal game. Franklin has a practice scrimmage with the Union reserves. Ellwood was defeated by Washington two weeks ago and Franklin will be out to match the record of their crosstown rivals.

Shenango plays an improved Evans City eleven at the latter's home field tonight under the lights. Both of these teams have lost to Zellenople by a one touchdown margin and this should be a close one. The Wildcat players have had some tough breaks with injuries this year but came back strong against George Junior Republic last week and should be up for this class B tussle.

Coaches Nahas and Susko have made some important changes in their backfield for this one. Fred Duckworth, who gave such a good account of himself in last week's game, has become a fixture at fullback. Parks has been shifted to the right half slot where he will alternate with Borcik. Injured Dick Kroesen and John Allen will handle the left half duties.

Up front, Elmer Dudash will continue at end in place of injured Tom McGary. Line coach Susko experimented with Bill Tanner at center last week and it was very successful. If the big ex-halfback is not needed in the Wildcat backfield, he will alternate with McCawin in the pivot slot.

Union At Zellenople

Union At Zellenople
 Union High invades Zellenople Friday night in another class B contest. The Scotlites will be meeting tough opposition as Zellenople is one of the best class B teams and has a strong backfield in Thomas, Kline, McCandless and Soltesz. Union suffered one of its worst defeats at the hands of Bessemer last week and will be seeking its second win. Coach Chuck James will match his ace backs, Glenn Hedrick, Fritz, Callahan and Tony Conti against a powerful Zellenople line in order to get back on the victory trail.

On the Junior high front, Washington and Franklin both play away in Junior WPAL contests this afternoon. The Washington "Tigers" will be seeking their second win against Sharon Junior High. The Franklin "Patriots" will invade Ellwood City for their first formal game. Franklin has a practice scrimmage with the Union reserves. Ellwood was defeated by Washington two weeks ago and Franklin will be out to match the record of their crosstown rivals.

Shenango plays an improved Evans City eleven at the latter's home field tonight under the lights. Both of these teams have lost to Zellenople by a one touchdown margin and this should be a close one. The Wildcat players have had some tough breaks with injuries this year but came back strong against George Junior Republic last week and should be up for this class B tussle.

RESERVED SEATS ABOUT ALL GONE

Only About 750 Reserved Seats Left Today For Har-Brack-New Castle Game

From all indications the New Castle and Har-Brack Class AA grid battle here Friday will be a complete sellout, over 13,000 fans.

J. H. Earl McKennis, ticket manager, announced that there were just 750 reserved seats left today in the steel bleachers, and by nightfall these will probably be sold.

There will be about 1,000 bleacher seats go on sale at 6:30 o'clock the night of the game. These can be bought at the north end of the stadium. Standing room will be sold as soon as the bleacher seats are all sold. These tickets may be obtained at the south end of the stadium, on the DuShane street side.

Har-Brack is sending quite a large delegation of students and fans here for the game, it was learned today. Both New Castle and Har-Brack are undefeated to date in four games.

O'Connor Resigns White Sox Post

CHICAGO, Oct. 7.—(INS)—A statement by Charles Comiskey, 22-year-old secretary and part owner of the Chicago White Sox, Wednesday verified the resignation of Leslie O'Connor as Sox vice president and general manager.

Young Comiskey said O'Connor would continue in his present capacity until after a successor strongly rumored to be Frank Lane, president of the American Association, is named.

As to reports that he was to succeed his mother as club president, Comiskey declared: "I'll take a more active part in the Chicago end this season, but whether as president, vice president or what, I don't know. Titles don't interest me."

Boston (National league) leads Cleveland (American league) one game to none. Second game will be played in Boston

Frankie Moran Wins From Martin Doyle

Bill Pozza Knocks Out Pete Graham Who Is In Hospital Undergoing Treatment; Neal Beats Bussey In Terrific Fight; Bradley Wins Decision And Leasure Scores Technical Knockout.

Fight fans paid \$1,750 last night to see Frankie Moran, New Castle welterweight, decision Martin Doyle, Detroit, in eight rounds; Billy Pozza, Ellwood City, knock out and hospitalize Pete Graham, Detroit, in the second round; Bobby Neal, Beaver Falls, outpoint Ted Bussey, Detroit, in six chapters; Bill Bradley, city, win in four rounds from Mickie Lydon, Koppel, and Les Leasure score a TKO over Duke Peaks, Youngstown, in the second round. The Jefferson A. C. promoted the show, which was attended by 850 paid patrons, plus the pass carriers.

Graham, 170½, held Pozza, 180, even in the first round, but in the second they slugged. Pozza staggered Graham with a right to the head and he reeled backward. Graham was practically out on his feet, but Pozza didn't follow up his advantage. However, Pozza next put a right to the head, a left to the same place and, when Graham flew into the ropes, Pozza caught him with a right to the jaw as Graham rebounded. The

After Pete Graham was knocked out by Billy Pozza last night, Dr. H. C. Harper, licensed physician for the State Athletic commission, entered the ring and restored Graham to consciousness then sent him to the New Castle hospital.

blow put Graham down. The club physician, seconds and Referee Sam Leyschock worked over Graham 10 minutes and revived him. The physician sent him to the New Castle hospital, where hospital attendants said today he had a fairly good night. He has a mild concussion. However, X-ray pictures are to be taken of Graham.

The Martin Doyle vs Frankie Moran fight was fast throughout, but in the opinion of Here & There, Moran won six of the eight rounds, the first being even and the last going to Doyle, when Moran coasted because of an eye which had been cut in the opening round, being further aggravated and closed.

The first session was even with Doyle fighting from a side-ways crouch. Frankie staggered Doyle with a left to the jaw in the second, and did likewise in the third, although Doyle held his pins. Doyle fought to the body in the fourth, weaved considerably, but lost the round. His blows lacked zip. They punched toe-to-toe in the

fifth and although Doyle put a hard right to the head at the bell, Moran's work previously, gave him the round. In the sixth, Doyle seemed tired. He fought with his mouth hanging open and, in the seventh chapter, Moran excelled in the brief flurries.

Neal-Bussey Bout Good

The doctor examined Moran's eye between the rounds. A cut had spread, and the eye was closed. Moran was allowed to continue. He coasted backwards, shooting punches at Doyle who pursued him. Doyle landed several blows to the body and head and put right and left to the stomach as the bell ended the fight.

The Bobby Neal vs Ted Bussey welterweight fight was a terrific bout. Neal took the first two rounds and Bussey the third. Neal captured the fourth, but the fifth was even with Neal taking the sixth round. He had Bussey on the defensive mostly during the fight. Bussey missed considerably.

Bill Bradley, 163, floored Mickie Lydon, Koppel, 168, in the opening

Les Leasure Wins

Les Leasure, 154, dropped Duke Peaks, 160, to a knee right after the first bell. He was dropped again with a right for a count of three when he got up, but Referee Jack Shriker gave him an eight count. Les floored him again. He got up but was out on his feet, as the referee tolled off a count.

However, the bell sounded ending the round. The first right hand sock Les delivered in the second round floored Peaks again and the referee stopped the fight.

Jack Shriker and Sam Leyschock alternated as referees and judge. The other judge was Robert Frazer and timekeeper, Humbert Fazzone. The announcer was Charles Scaglione.

HERE AND THERE IN SPORTS' LAND

WORLD'S SERIES talk has superseded United Nations discussions among the rank and file of America. . . Eddie Weigant, a good featherweight of the 20's, now a resident of McDonald, O., visited his home town yesterday. He was a terrific puncher for a 125-pounder.

. . . Dick Francis and companions, fished Tionesta dam recently but, their luck was nil. Moving to the Allegheny river, Dick saw a fisherman hook a 26-inch muskie. He reports the Allegheny water is very low. . . Pat Hennessey was all smiles yesterday. Ben Lowry gave him a turtle Ben caught crossing a highway while motoring to Akron. . . Bill Carlin has laid away until next summer his frog lure which he used at North Bay. However, his luck with it was not good. It is a jointed and unique affair. Despite the fact Bill has had no luck with it, he yet has faith in it.

Hunting time is near, evidence of which is seen by the number of squirrels seen scampering across city streets to wooded sections. Many rabbits are being killed by motor cars on highways. . . Shenango Valley beaglers are preparing to take care of a large crowd during their AKC trials, October 9-14, inclusive, at their training area, and club-house, at Volant. Some good hounds from near and distant points are entered in the trials. . . Jim Gibson, streets director, advises Here & There, employees of his city department, are now collecting leaves and anyone desiring a load can have it dumped in their yard. Worms thrive during cold spells beneath leaves.

. . . Pittsburgh expects the Rusty Payne vs. Curtis Sheppard heavy-weight fight, Monday night at Duquesne gardens, to be as thrilling as the Harry Bobo vs. Lem Franklin fight several years ago. . . Har-Brack said to be the equal of Youngstown East, plays Ne-Ca-Hi, Friday night at Taggart stadium. . . Jimmy Jolly, the ex-promoter of fisticuffs, is yet throttling an engine. . . Jimmy Dunn, Cleveland, wants to pit his featherweight, Megas, against any featherweight, in The Arena. . . Johnny Izso, now of Pittsburgh, expects to box on the Monday night docket in Pittsburgh.

Predict Oil Boom For Middle East

Believe Middle East Area To Give More Oil In Future Than U.S. And S. America

NEW YORK, Oct. 7. (INS)—The Arabian American oil company predicts that the Middle East will produce more oil within the next few years than the United States and South America together.

Last year, the United States produced 61.5 per cent of all the oil produced in the world. South American wells yielded 17.2 per cent.

The Middle East produced only

10.5 percent of the world's oil. Russia produced 6.4 per cent.

But oil company officials, in a summary of oil developments in the Middle East, say that "proven reserves" when developed will put the Middle East in top place with 42.3 of total world production.

By comparison, the United States will drop to 31.6 per cent and South America to 14.2.

Test Drilling Under Way—Exploration and test drilling, according to oil company officials are under way or anticipated in northern Iran and in the area west of desert wells in Syria, Lebanon, Palestine, Trans-Jordan and the island of Cyprus.

The major oil region at present is in or adjacent to the Tigris and Euphrates River basin and the Persian Gulf. It covers some

parts of Iran, Iraq, Saudi Arabia and three small "sheikhdoms."

Egyptian oil fields also will be tapped although Egypt has never produced oil in any quantity.

Oil production in the Middle East has soared from 250,000 barrels a day in 1936 to one million barrels this summer.

Expect Double Output

Oil men expect the output to double "at least" in the next few years when they have completed pipelines from Saudi Arabia, Iraq,

Iran, and Kuwait to the shores of the eastern Mediterranean.

The summary states that the oil companies "are planning to invest hundreds of millions of dollars in these facilities and the development of production . . . to move Middle East oil into Europe, Asia, and other world markets."

According to estimated production, the Iranian government this year will receive \$33,000,000 in oil royalties. Saudi Arabia will receive \$38,000,000; Iraq, \$7,200,000.

Russia Asks Italy Return 33 Warships

LONDON, Oct. 7. (INS)—Russia announced today that Russia has sent a stern note to Italy demanding that the Rome government turn over to the Soviet 33 warships under peace treaty terms.

The note, handed to Ambassador Manlio Brosio, last Monday insists that Italy immediately take

steps to fulfill provisions of the treaty with the Soviet.

Italy was reminded that she was to have given Russia the Italian vessels within three months after the treaty came into force, or by December 15, 1947.

The note said Russia had made it "considerably easier" for Italy to implement the treaty by agreeing to accept the 33 ships without repairs.

Minnesota is the leading oil-producing state of the U. S.

SOMETHING NEW, in NEW CASTLE

For over a quarter of a century men have been coming to Oscar Levine for good clothes and courteous, personalized service. Now we are pleased to make shopping a new and even pleasanter experience for you. Our enlarged and newly modernized store was planned with every thought for your comfort and convenience.
